C:\COMMISSIONER COURT\COMMCRT.2001\SEPT25.WPD

"Department" or "TDPS" means the Texas Department of Public Safety.

"Failure to Appear Program" or "FTA Program" refers to the implementation efforts of all parties, including those system components provided by the TDPS, local political subdivisions and the Vendor, including the FTA System.

"Failure to Appear System" or "FTA System" refers to the goods and services, including all hardware, software, consulting services, telephone and related support services, supplied by the Vendor.

"FTA Software" refers to computer software developed or maintained now or in the future by the Vendor to support the FTA System.

"Originating Court" refers to the court in which an applicable violation has been filed for which a person has failed to appear or failed to pay or satisfy a judgement and which has submitted an appropriate FTA Report.

"State" refers to the State of Texas.

"Local political subdivision" refers to a city or county of the State of Texas.

Unless otherwise defined, terms used herein shall have the meaning assigned by Texas Transportation Code Chapter 706 or other relevant statute. Terms not defined in this Contract or by other relevant statutes shall be given their ordinary meanings.

#### **IV. Governing Law**

This Contract is entered into pursuant to Texas Government Code Chapter 791 and is subject to the laws and jurisdiction of the State of Texas and shall be construed and interpreted accordingly.

#### **V. Venue**

The parties agree that this contract is deemed performable in Travis County, Texas, and that venue for any suit arising from the interpretation or enforcement of this Contract shall lie in Travis County, Texas.

#### **VI. Application and Scope of Contract**

This Contract applies to each FTA Report submitted to and accepted by the TDPS or the Vendor by the local political subdivision pursuant to the authority of Texas Transportation Code Chapter 706.

**VII. Required Warning on Citation for Traffic Law Violations**

A peace officer authorized to issue citations within the jurisdiction of the local political subdivision shall issue a written warning to each person to whom the officer issues a citation for a traffic law violation. This warning shall be provided in addition to any other warnings required by law. The warning must state in substance that if the person fails to appear in court for the prosecution of the offense or if the person fails to pay or satisfy a judgement ordering the payment of a fine and cost in the manner ordered by the court, the person may be denied renewal of the person's driver license. The written warning may be printed on the citation or on a separate instrument.

**VIII. FTA Report**

If the person fails to appear or fails to pay or satisfy a judgement as required by law, the local political subdivision may submit an FTA Report containing the following information:

- (1) the jurisdiction in which the alleged offense occurred;
- (2) the name of the local political subdivision submitting the report;
- (3) the name, date of birth and Texas driver license number of the person who failed to appear or failed to pay or satisfy a judgement;
- (4) the date of the alleged violation;
- (5) a brief description of the alleged violation;
- (6) a statement that the person failed to appear or failed to pay or satisfy a judgement as required by law;
- (7) the date that the person failed to appear or failed to pay or satisfy a judgement; and
- (8) any other information required by the TDPS.

There is no requirement that a criminal warrant be issued in response to the person's failure to appear. The local political subdivision must make reasonable efforts to ensure that all FTA Reports are accurate, complete and non-duplicative.

**IX. Clearance Reports**

The originating court that files the FTA Report has a continuing obligation to review the report and promptly submit appropriate additional information or reports to the Vendor or the TDPS. The clearance report shall identify the person, state whether or not a fee was required, advise the TDPS to lift the denial of renewal and state the grounds for the action. All clearance reports must be submitted within five business days of the time and date that the originating

court receives appropriate payment or other information that satisfies the citizen's obligation to that court.

To the extent that a local political subdivision utilizes the FTA Program by submitting an FTA Report, there is a corresponding obligation to collect the statutorily required \$30.00 administrative fee. If the person is acquitted of the underlying offense for which the original FTA Report was filed, the originating court shall not require payment of the administrative fee. The local political subdivision shall submit a clearance report within five business days advising the TDPS to lift the denial of renewal and identifying the grounds for the action.

The local political subdivision must promptly file a clearance report upon payment of the administrative fee and:

- (1) the perfection of an appeal of the case for which the warrant of arrest was issued or judgement arose;
- (2) the dismissal of the charge for which the warrant of arrest was issued or judgement arose;
- (3) the posting of a bond or the giving of other security to reinstate the charge for which the warrant was issued;
- (4) the payment or discharge of the fine and cost owed on an outstanding judgement of the court; or
- (5) other suitable arrangement to pay the fine and cost within the court's discretion.

The TDPS will not continue to deny renewal of the person's driver license after receiving notice from the local political subdivision that the FTA Report was submitted in error or has been destroyed in accordance with the local political subdivision's record retention policy.

#### **X. Compliance with Law**

The local political subdivision understands and agrees that it will comply with all local, state and federal laws in the performance of this Contract, including administrative rules adopted by the TDPS.

#### **XI. Accounting Procedures**

An officer collecting fees pursuant to Texas Transportation Code §706.006 shall keep separate records of the funds and shall deposit the funds in the appropriate municipal or county treasury. The custodian of the municipal or county treasury may deposit such fees in an interest-bearing account and retain the interest earned thereon for the local political subdivision. The custodian shall keep

accurate and complete records of funds received and disbursed in accordance with this Contract and the governing statutes.

The custodian shall remit \$20.00 of each fee collected pursuant to Texas Transportation Code §706.006 to the Comptroller on or before the last day of each calendar quarter and retain \$10.00 of each fee for payment to the Vendor and credit to the general fund of the municipal or county treasury.

## **XII. Payments to Vendor**

The TDPS has contracted with OmniBase Services, Inc. ("Vendor"), a corporation organized and incorporated under the laws of the State of Texas, with its principal place of business in Austin, Texas, to assist with the implementation of the FTA Program.

Correspondence to the Vendor may be addressed as follows:

OmniBase Services, Inc.  
6101 W. Courtyard Drive, Building 3, Suite 210  
Austin, Texas 78730  
(512) 346-6511 ext. 100; (512) 346-9312 (fax)

The local political subdivision must pay the Vendor a fee of \$6.00 per person for each violation which has been reported to the Vendor and for which the local political subdivision has subsequently collected the statutorily required \$30.00 administrative fee. In the event that the person has been acquitted of the underlying charge, no payment will be made to the Vendor or required of the local political subdivision.

The parties agree that payment shall be made by the local political subdivision to the Vendor no later than the last day of the month following the close of the calendar quarter in which the payment was received by the local political subdivision.

## **XIII. Litigation and Indemnity**

In the event that the local political subdivision is aware of litigation in which this Contract or Texas Transportation Code Chapter 706 is subject to constitutional, statutory, or common-law challenge, or is struck down by judicial decision, the local political subdivision shall make a good faith effort to notify the TDPS immediately.

Each party may participate in the defense of a claim or suit affecting the FTA Program, but no costs or expenses shall be incurred for any party by the other party without the other parties written consent.

To the extent authorized by law, the local political subdivision agrees to indemnify and hold harmless the TDPS against any claims, suits, actions, damages and costs of every nature or description arising out of or resulting from the performance of this Contract, and the local political subdivision further agrees to satisfy any final judgement awarded against the local political subdivision or the TDPS arising from the performance of this Contract, provided said claim, suit, action, damage, judgement or related cost is not attributed by the judgement of a court of competent jurisdiction to the sole negligence of the TDPS.

It is the agreement of the parties that any litigation involving the parties to this Contract may not be compromised or settled without the express consent of the TDPS, unless such litigation does not name the TDPS as a party.

This section is subject to the statutory rights and duties of the Attorney General for the State of Texas.

#### **XIV. Contract Modification**

No modifications, amendments or supplements to, or waivers of, any provision of this Contract shall be valid unless made in writing and executed in the same manner as this Contract.

#### **XV. Severability**

If any provision of this Contract is held to be illegal, invalid or unenforceable under present or future laws effective during the term hereof, such provision shall be fully severable. This Contract shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, and the remaining provisions shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance therefrom.

#### **XVI. Multiple Counterparts**

This agreement may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which constitutes, collectively, one agreement. But, in making proof of this agreement, it shall not be necessary to produce or account for more than one such counterpart.

**XVII. Effective Date of Contract**

This contract shall be in effect from and after the date that the final signature is set forth below. This contract shall automatically renew on a yearly basis. **RESOLUTION OF THE  
COMMISSIONERS COURT OF POLK COUNTY, TEXAS,  
IN COMPLIANCE WITH SECTION 5 OF THE VOTING RIGHTS ACT OF  
1965, AS AMENDED.**

On this, the 25<sup>th</sup> day of September, 2001, at 10:00 o'clock A.M., the Polk County Commissioners Court met in a properly called and posted public session, pursuant to statutory notice and call, and after having given and posted the required public notice for more than seventy-two (72) hours prior to said meeting, as required by the Texas Open Meeting Law, specifically announcing the purpose of adopting a resolution pertaining to the redistricting of the Commissioners Precincts, the Justice of the Peace and Constable Precincts, and changes to the Election Precincts and Polling Places.

IN FURTHERANCE WHEREOF, after due consideration and upon motion duly made and seconded, the following RESOLUTION ADOPTING A PLAN OF REDISTRICTING was passed and adopted as set forth hereinafter.

TO WIT:

RESOLVED, that, subject to the final approval thereof by the Attorney General, Civil Rights Division, Department of Justice, Washington, D.C., pursuant to the provisions of Section 5 of the Voting Rights Act of 1965, as amended, the Polk County Commissioners Court, does hereby ADOPT the PLAN OF REDISTRICTING making such redefinitions of the Commissioners Precincts, the Justice of the Peace and Constable Precincts, Election Precincts and Polling Places as are described in the documentation contained in the EXHIBITS A through E which are hereby incorporated as part of this Resolution.

This redistricting and these boundaries are to become formally effective on January 2, 2002, and will be used as the basis for conducting the primary elections in March of 2002, and the general election in November of 2002. The Polk County Commissioners Court hereby instructs its attorneys, David Guinn and Michael D.

Morrison, to submit said redistricting plan for approval by the Attorney General, Civil Rights Division, Department of Justice. Washington, D.C., for preclearance in accordance with Section 5 of the Voting Rights Act of 1965, as amended in 1975 and 1982. Said approval, when and if made by the Justice Department, shall be noted in the Minutes of this Commissioners Court by the County Judge.

The said PLAN OF REDISTRICTING is evidenced by attachments:

- EXHIBIT A: Proposed Commissioners Precinct Boundaries
- EXHIBIT B: Proposed Election Precincts Boundaries
- EXHIBIT C: Proposed and Existing Polling Places
- EXHIBIT D: Proposed Justice of the Peace and Constable Precincts
- EXHIBIT E: Mandatory Texas Election Code Requirements

It is the judgment of the Commissioners Court that the said PLAN OF REDISTRICTING does not have the purpose or effect of worsening the position of minority voters when compared to the existing benchmark plan and maintains the "one person, one vote" requirement of the Equal Protection Clause of the 14<sup>th</sup> Amendment to the U. S. Constitution.

Announcements were made as required by law, and upon motion duly made, seconded and passed, the meeting of the Commissioners Court was ended.

SIGNED this 25th day of September, 2001.

*John P. Thompson*  
 County Judge, Polk County, Texas
