Section 2. AUTHORIZATION, AMOUNT AND PURPOSE OF TIME WARRANT. The County's Time Warrant is hereby authorized to be issued in the aggregate principal amount and for the purpose set forth in the Time Warrant attached hereto as Exhibit "A."

Section 3. GENERAL TERMS AND PROVISIONS OF TIME WARRANT.

(a) Dates, Denominations, Maturities, and Interest Rates. There shall be issued, sold, and delivered a single Time Warrant, in fully registered form, without interest coupons, payable to the Initial Purchaser as provided in Exhibit "A."

(b) Additional Provisions. The Time Warrant (i) may be transferred and assigned, (v) may be converted and exchanged for another Time Warrant, (vi) shall have the characteristics, (vii) shall be signed, sealed, executed, and authenticated, (viii) shall be payable as to the principal and interest, and (ix) shall be administered, and the County Treasurer and the County shall have certain duties and responsibilities with respect to the Time Warrant, all as provided, and in the manner and to the effect as required or indicated, in the Time Warrant attached as Exhibit "A."

(c) Optional Redemption. The County reserves the option to redeem the Time Warrant prior to its stated maturity, at the option of the County, in whole only, on any date after the Date of Delivery to the Initial Purchaser, at the redemption price of par, together with accrued interest to the date of redemption.

(d) Notice of Redemption to Owners. The County Treasurer shall give notice of any redemption of the Time Warrant by sending notice by first class United States mail, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the Owner of the Time Warrant to be redeemed, at the address shown on the Register.

(1) The notice shall state the redemption date, the redemption price, the place at which the Time Warrant is to be surrendered for payment, and, an identification of the Time Warrant to be redeemed.

(2) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(e) Payment Upon Redemption. Upon presentation and surrender of the Time Warrant called for redemption at the office of the County Treasurer on or after the date fixed for redemption, the County Treasurer shall pay the principal of, redemption premium, if any, and accrued interest on such Time Warrant to the date of redemption from the money set aside for such purpose.

(f) Effect of Redemption.

(1) Notice of redemption having been given as provided in this Order, the Time Warrant called for redemption shall become due and payable on the date fixed for redemption and, unless the County defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Time Warrant shall cease to bear interest from and after the date fixed for redemption, whether or not such Time Warrant is presented and surrendered for payment on such date.

(2) If the County shall fail to make provision for payment of all sums due on a redemption date, then any Time Warrant called for redemption shall continue to bear interest at the rate stated on the Time Warrant until paid or until due provision is made for the payment of same by the County.

Section 4. COUNTY TREASURER AS REGISTRAR.

(a) Registration, Transfer, Conversion, and Exchange: Authentication. The County shall keep or cause to be kept at the Office of the County Treasurer in Livingston, Texas books or records for the registration of the transfer, conversion, and exchange of the Time Warrant (the "Register").

(b) Unclaimed Amounts. Any money deposited with the Treasurer for the payment of the principal of, premium, if any, or interest on any Time Warrant will be subject to the unclaimed property laws of the State of Texas. If any security or interest check shall not be presented for payment within three (3) years following the stated maturity, the amount shall be reported and disposed of by the County Treasurer in accordance with the applicable provisions of Texas law including, to the extent applicable, Title 6 of the Texas Property Code, as amended. Once the County Treasurer has complied with the applicable unclaimed property law, the Holder of such Security shall thereafter look only to the procedures in the unclaimed property law for payment thereof, and all liability of the County and the County Treasurer with respect to such money shall thereupon cease.

Section 5. INTEREST AND SINKING FUND. The "Polk County, Texas Time Warrant Interest and Sinking Fund" (the "Interest and Sinking Fund"), is hereby authorized and shall be established and maintained in a depository bank of the County, so long as the Time Warrant,

or interest thereon, are outstanding and unpaid.

Section 6. TAX LEVY. During each year while any of the Time Warrant is outstanding and unpaid, the Commissioners Court shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Time Warrant as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of the Time Warrant as such principal matures (but never less than 2% of the original principal amount of the Time Warrant as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of the County, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the County for each year while any of the Time Warrant is outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Time Warrant, as such interest comes due and such principal matures, are hereby pledged to such payment, within the limits prescribed by law.

Section 7. EFFECT OF PLEDGE. Chapter 1208, Government Code, applies to the issuance of the Time Warrant and the pledge of the taxes granted by the County under Section 6 of this Order, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Time Warrant is outstanding and unpaid such that the pledge of the taxes granted by the County under Section 6 of this Order is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the Registered Owners of the Time Warrant the perfection of the security interest in said pledge, the County agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 8. SECURITY FOR FUNDS. All Funds created by this Order shall be secured in the manner and to the fullest extent permitted or required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Order.

Section 9. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED TIME WARRANT.

(a) Replacement Time Warrant. In the event an outstanding Time Warrant is damaged, mutilated, lost, stolen, or destroyed, the County Treasurer shall cause to be printed, executed, and delivered, a new Time Warrant of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Time Warrant, in replacement for such Time Warrant in the manner hereinafter provided.

(b) Application for Replacement Time Warrant. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Time Warrant shall be made by the Registered Owner thereof to the County Treasurer. In every case of loss, theft, or

destruction of a Time Warrant, the Registered Owner applying for a replacement Time Warrant shall furnish to the County and to the County Treasurer such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Time Warrant, the Registered Owner shall furnish to the County and to the County Treasurer evidence to their satisfaction of the loss, theft, or destruction of such Time Warrant, as the case may be. In every case of damage or mutilation of a Time Warrant, the Registered Owner shall surrender to the County Treasurer for cancellation the Time Warrant so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section 9, in the event any such Time Warrant shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on this Time Warrant, the County may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Time Warrant) instead of issuing a replacement Time Warrant, provided security or indemnity is furnished as above provided in this Section 9.

(d) Charge for Issuing Replacement Time Warrant. Prior to the issuance of any replacement Time Warrant, the County Treasurer shall charge the Registered Owner of such Time Warrant with all legal, printing, and other expenses in connection therewith. Every replacement Time Warrant issued pursuant to the provisions of this Section 9 by virtue of the fact that any Time Warrant is lost, stolen, or destroyed shall constitute an obligation of the County whether or not the lost, stolen, or destroyed Time Warrant shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Time Warrants duly issued under this Order.

Section 10. CUSTODY, APPROVAL, AND REGISTRATION OF TIME WARRANT. The County Judge is hereby authorized to have control of the Time Warrant initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Time Warrant pending its delivery to the Initial Purchaser.

Section 11. REMEDIES IN EVENT OF DEFAULT. In addition to all of the rights and remedies provided by the laws of the State of Texas, the County covenants and agrees that in the event of default in payment of principal of or interest on any Time Warrant when due, or, in the event it fails to make the payments required to be made into the Interest and Sinking Fund or defaults in the observance or performance of any other of the contracts, covenants, conditions, or obligations set forth in this Order or in the Time Warrant, the following remedies shall be available:

(a) the Registered Owners shall be entitled to a writ of mandamus issued by a court of competent jurisdiction compelling and requiring the County and the officials thereof to observe and perform the contracts, covenants, obligations, or conditions prescribed in this Order, and

(b) any delay or omission to exercise any right or power accruing upon any default shall not impair any such right or power nor be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 12. FEDERAL TAX COVENANTS.

(a) The County hereby represents that the proceeds of the Time Warrant is needed at this time in exchange for the item or items set forth in the purposes specified in Section 2 hereof.

(b) The County will not take any action or fail to take any action with respect to the investment of the proceeds of the Time Warrant or any other funds of the County, including amounts received from the investment of any of the foregoing, which act or omission based upon the facts, estimates, and circumstances known on the closing date, would result in constituting the Time Warrant "arbitrage bonds," within the meaning of Section 148 of the Code, and the County will not take any deliberate action motivated by arbitrage that would have such result.

(c) The County will comply with the provisions of Section 148(f) of the Code (relating to paying certain excess earnings of investment proceeds of the Time Warrant to the United States) and the regulations promulgated thereunder.

(d) The County will not take any action or fail to take any action which act or omission would result in the interest on the Time Warrant being includable in gross income for federal tax purposes.

(e) The County will not take any action or fail to take any action which act or omission would result in the Time Warrant being treated as "private activity bonds" within the meaning of Section 141(a) of the Code.

(f) The County will not take any action or fail to take any action which act or omission would result in the Time Warrant being treated as "federally guaranteed" within the meaning of Section 149(b) of the Code.

It is the understanding of the County that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In furtherance of such intention, the County hereby authorizes and directs the County Judge and County Auditor to execute any documents, certificates, or reports required by the Code and to make such elections, on behalf of the County, which may be permitted by the Code as are consistent with the purpose for the issuance of the Time Warrant. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Time Warrant, the County will not be required to comply with any covenant contained herein to the

extent that such modification or expansion, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Time Warrant under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Time Warrant, the County agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Time Warrant under section 103 of the Code.

Section 13. QUALIFIED TAX-EXEMPT OBLIGATIONS. The County hereby designates the Time Warrant as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code. In furtherance of such designation, the County represents, covenants, and warrants the following:

- (a) during the calendar year in which the Time Warrant is issued, the County (including any subordinate entities) has not designated nor will designate bonds or other obligations, which when aggregated with the Time Warrant, will result in more than \$10,000,000 of "qualified tax-exempt obligations" being issued;
- (b) the County reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Time Warrant is issued, by the County (or any subordinate entities) will not exceed \$10,000,000; and
- (c) the County will take such action or refrain from such action as necessary in order that the Time Warrant will not be considered "private activity bonds" within the meaning of section 141 of the Code.

Section 14. INCORPORATION OF RECITALS. The County hereby finds that the statements set forth in the recitals of this Order are true and correct, and the County hereby incorporates such recitals as a part of this Order.

Section 15. EFFECTIVE DATE. This Order shall take effect and be in full force and effect upon and after its passage.
