Vendor Agreement - Congregate Meals

AREA AGENCY ON AGING OF DEEP EAST TEXAS VENDOR AGREEMENT

Polk County Aging Department, hereinafter referred to as Vendor, and Area Agency on Aging of Deep East Texas (AAA) do hereby agree to provide services effective beginning October 1, 2004, in accordance with the Older Americans Act of 1965 (OAA), as amended, Texas Department of Aging and Disability Services (DADS), the AAA Direct Purchase of Services program and the stated Scope of Services.

The AAA Direct Purchase of Services program is designed to promote the development of a comprehensive and coordinated service delivery system to meet the needs of older individuals (age 60 and older). This agreement provides a mechanism for the creation of an individualized network of community resources on a client by client basis through the Older Americans Act, as amended, and the Texas Department of Aging and Disability Services' AAA Access and Assistance guidelines.

The purpose of this system of Access and Assistance is to develop cooperative working relationships with other service providers to build an integrated service delivery system that ensures broad access to and information about community services, maximizes the use of existing resources, avoids duplication of effort, gaps in services, and facilitates the ability of people who need services to easily find the most appropriate provider.

I. SCOPE OF SERVICES

A. The Vendor agrees to provide the following service(s) to clients authorized by the AAA staff.

Service: Congregate Meal

Service Definition: A hot or other appropriate meal served to an eligible person which meets on-third (1/3) of the recommended Dietary allowances (RDA) as established by the Food and Nutrition Board of the National Academy of Sciences – National Research Council and complies with the Dietary Guidelines for Americans, published by the Secretary and the Secretary of Agriculture, and which is served in a congregate setting.

Unit Definition: One Meal

Service Area:

All Texas Administrative Code standards may be accessed at the Texas Secretary of State website: www.sos.state.tx.us

All Older Americans Act and other required rules and regulations may be accessed at http://www.aoa.gov/about/legbudg/oaa/legbudg_oaa.asp

Targeting: Services are designed to identify eligible clients, with an emphasis on high-risk clients and serving older individuals with greatest economic and social need, low-income minorities and those residing in rural areas, as identified in the Older Americans Act.

B. Services & Reimbursement Methodology:

Service	Fixed Rate (include rate)	Variable Rate (identify range)	Cost Reimbursement
Congregate Meal	3.37		

II. TERMS OF THE AGREEMENT

A. The **Vendor** agrees to and/or understands:

- 1. Provide services in accordance with current or revised DADS policies and standards and the OAA.
- 2. Target services to older individuals with greatest economic and social need, including low-income minorities and older individuals residing in rural areas as applicable.
- 3. Submit billings with appropriate documentation as required by the AAA by the close of business on the eighth (8th) day of each month following the last day of the month in which services were provided. If the eighth (8th) day falls on a weekend or holiday, the information shall be delivered by the close of business on the preceding business day.
- 4. The AAA cannot guarantee payment of a reimbursement request received for more than 45 calendar days of service delivery. No reimbursement for services provided will be made if vendor payment invoices are not submitted to the AAA within the 45 days of service delivery.
- 5. Encourage client contributions (program income) on a voluntary and confidential basis. Such contributions will be properly safeguarded and accurately accounted for as receipts and expenditures on its financial reports if they are not required to be forwarded to the AAA. Client contributions (program income) will be reported fully, as required, to the AAA. Vendor agrees to expend all program income to expand or enhance the program/service under which it is earned.
- 6. Refer Medicaid eligible clients to the Health and Human Services Commission, and/or the Medicaid participating suppliers/vendors for the purpose of securing appropriate services, as applicable.
- 7. Notify the AAA Access and Assistance division within 24 hours if, for any reason, the Vendor becomes unable to provide the service(s).
- 8. Maintain communication and correspondence concerning clients' status
- 9. Establish a method to guarantee the confidentiality of all information relating to the client in accordance with applicable Federal and State laws, rules, and regulations. This provision shall not be construed, as limiting AAA or any Federal, or State authorized representative's right of access to client case records or other information relating to clients served under this agreement.
- 10. Keep financial and program supporting documents, statistical records, and any other records pertinent to the services for which a claim for reimbursement was

- submitted to the AAA. The records and documents will be kept for a minimum of five years after close of contract year.
- 11. Make available at reasonable times and for required periods those client records, books, and supporting documents pertaining to services provided, under this agreement, for purposes of inspection, monitoring, auditing, or evaluations by AAA staff, the Comptroller General of the United States and the State of Texas, through any authorized representative(s).
- 12. This agreement may be terminated for cause or without cause upon the giving of fifteen (15) days advance written notice.
- 13. This agreement does not guarantee a total level of reimbursement other than for individual units/services authorized.
- 14. It is an independent provider, <u>NOT</u> an agent of the AAA. Thus the Vendor indemnifies, saves and holds harmless AAA of Deep East Texas and the Deep East Texas Council of Governments against expense or liability of any kind arising out of service delivery performed by the Vendor, and to immediately notify the Area Agency on Aging if the Vendor becomes involved in or is threatened with litigation related to Access Assistance participants.
- 15. Employees shall not solicit nor accept gifts or favors of monetary value by or on behalf of clients as a gift, reward or payment.
- B. Through the Direct Purchase of Services program, the AAA of Deep East Texas agrees to:
 - 1. Review client intake and assessment forms completed by the Vendor, as applicable, to determine client eligibility. Service authorization is based on client need and the availability of funds.
 - 2. Provide timely written notification to Vendor of client's eligibility and authorization to receive services.
 - 3. Maintain communication and correspondence concerning the clients' status.
 - 4. Provide timely technical assistance to Vendor as requested and as available.
 - 5. Conduct quality-assurance procedures and on-site visits to ensure quality services are being provided.
 - 6. Provide written policy, procedures and standard documents concerning client authorization to release information (both a general and medical/health related release), ability to contribute to the cost of services provided, complaints/grievances and appeals to all clients.

C. AAA of Deep East Texas agrees to:

- 1. Reimburse the Vendor based on the agreed reimbursement methodology, approved rate(s), service(s) authorized, and Section II, A. items 3 and 4 of this document within 45 days of receipt of invoice.
- 2. Reimburse the Vendor upon receipt of a properly prepared vendor payment invoice, identified in C. 1, contingent upon the AAA's receipt of funds authorized for this purpose from DADS.

Vendor Agreement – Sr Ctr Operations FLE COPY

AREA AGENCY ON AGING OF **DEEP EAST TEXAS** VENDOR AGREEMENT

Polk County Aging Department, hereinafter referred to as Vendor, and Area Agency on Aging of Deep East Texas (AAA) do hereby agree to provide services effective beginning October 1, 2004, in accordance with the Older Americans Act of 1965 (OAA), as amended, Texas Department of Aging and Disability Services (DADS), the AAA Direct Purchase of Services program and the stated Scope of Services.

The AAA Direct Purchase of Services program is designed to promote the development of a comprehensive and coordinated service delivery system to meet the needs of older individuals (age 60 and older). This agreement provides a mechanism for the creation of an individualized network of community resources on a client by client basis through the Older Americans Act, as amended, and the Texas Department of Aging and Disability Services' AAA Access and Assistance guidelines.

The purpose of this system of Access and Assistance is to develop cooperative working relationships with other service providers to build an integrated service delivery system that ensures broad access to and information about community services, maximizes the use of existing resources, avoids duplication of effort, gaps in services, and facilitates the ability of people who need services to easily find the most appropriate provider.

I. **SCOPE OF SERVICES**

The Vendor agrees to provide the following service(s) to clients authorized by the AAA

Service: Senior Center Operations

Service Definition: The operation of community facilities where persons aged 60 or older meet together to pursue mutual interests, receive services and/or take part in activities which will enhance their quality of life, support their independence, and encourage their continued involvement in and with the community.

Unit Definition: Participant Day

Service Area:

All Texas Administrative Code standards may be accessed at the Texas Secretary of State website: www.sos.state.tx.us

All Older Americans Act and other required rules and regulations may be accessed at http://www.aoa.gov/about/legbudg/oaa/legbudg oaa.asp

Targeting: Services are designed to identify eligible clients, with an emphasis on high-risk clients and serving older individuals with greatest economic and social need, low-income minorities and those residing in rural areas, as identified in the Older Americans Act.

II. TERMS OF THE AGREEMENT

A. The **Vendor** agrees to and/or understands:

- 1. Provide services in accordance with current or revised DADS policies and standards and the OAA.
- 2. Target services to older individuals with greatest economic and social need, including low-income minorities and older individuals residing in rural areas as applicable.
- 3. Submit billings with appropriate documentation as required by the AAA by the close of business on the eighth (8th) day of each month following the last day of the month in which services were provided. If the eighth (8th) day falls on a weekend or holiday, the information shall be delivered by the close of business on the preceding business day.
- 4. The AAA cannot guarantee payment of a reimbursement request received for more than 45 calendar days of service delivery. No reimbursement for services provided will be made if vendor payment invoices are not submitted to the AAA within the 45 days of service delivery.
- 5. Encourage client contributions (program income) on a voluntary and confidential basis. Such contributions will be properly safeguarded and accurately accounted for as receipts and expenditures on its financial reports if they are not required to be forwarded to the AAA. Client contributions (program income) will be reported fully, as required, to the AAA. Vendor agrees to expend all program income to expand or enhance the program/service under which it is earned.
- 6. Refer Medicaid eligible clients to the Health and Human Services Commission, and/or the Medicaid participating suppliers/vendors for the purpose of securing appropriate services, as applicable.
- 7. Notify the AAA Access and Assistance division within 24 hours if, for any reason, the Vendor becomes unable to provide the service(s).
- 8. Maintain communication and correspondence concerning clients' status
- 9. Establish a method to guarantee the confidentiality of all information relating to the client in accordance with applicable Federal and State laws, rules, and regulations. This provision shall not be construed, as limiting AAA or any Federal, or State authorized representative's right of access to client case records or other information relating to clients served under this agreement.
- 10. Keep financial and program supporting documents, statistical records, and any other records pertinent to the services for which a claim for reimbursement was submitted to the AAA. The records and documents will be kept for a minimum of five years after close of contract year.
- 11. Make available at reasonable times and for required periods those client records, books, and supporting documents pertaining to services provided, under this agreement, for purposes of inspection, monitoring, auditing, or evaluations by

į

- AAA staff, the Comptroller General of the United States and the State of Texas, through any authorized representative(s).
- 12. This agreement may be terminated for cause or without cause upon the giving of fifteen (15) days advance written notice.
- 13. This agreement does not guarantee a total level of reimbursement other than for individual units/services authorized.
- 14. It is an independent provider, <u>NOT</u> an agent of the AAA. Thus the Vendor indemnifies, saves and holds harmless AAA of Deep East Texas and the Deep East Texas Council of Governments against expense or liability of any kind arising out of service delivery performed by the Vendor, and to immediately notify the Area Agency on Aging if the Vendor becomes involved in or is threatened with litigation related to Access Assistance participants.
- 15. Employees shall not solicit nor accept gifts or favors of monetary value by or on behalf of clients as a gift, reward or payment.
- B. Through the Direct Purchase of Services program, the AAA of Deep East Texas agrees to:
 - 1. Review client intake and assessment forms completed by the Vendor, as applicable, to determine client eligibility. Service authorization is based on client need and the availability of funds.
 - 2. Provide timely written notification to Vendor of client's eligibility and authorization to receive services.
 - 3. Maintain communication and correspondence concerning the clients' status.
 - 4. Provide timely technical assistance to Vendor as requested and as available.
 - 5. Conduct quality-assurance procedures and on-site visits to ensure quality services are being provided.
 - 6. Provide written policy, procedures and standard documents concerning client authorization to release information (both a general and medical/health related release), ability to contribute to the cost of services provided, complaints/grievances and appeals to all clients.

C. AAA of Deep East Texas agrees to:

- 1. Reimburse the Vendor based on the agreed reimbursement methodology, approved rate(s), service(s) authorized, and Section II, A. items 3 and 4 of this document within 45 days of receipt of invoice.
- 2. Reimburse the Vendor upon receipt of a properly prepared vendor payment invoice, identified in C. 1, contingent upon the AAA's receipt of funds authorized for this purpose from DADS.

WHEREAS, the Issuer desires to reimburse itself for the costs associated with the projects listed on Exhibit "A" attached hereto from the proceeds of tax-exempt obligations to be issued subsequent to the date hereof; and,

WHEREAS, the Issuer reasonably expects to issue tax-exempt obligations to reimburse itself for the costs associated with the projects listed on Exhibit "A" attached hereto.

NOW, THEREFORE, BE IT RESOLVED THAT:

Section 1.
