## PART II

### PROFESSIONAL ENGINEERING SCOPE OF SERVICES

The Engineering Firm shall render the following professional services necessary for the implementation of the project: *(These are not in order of performance.)*

#### SCOPE OF SERVICES

1. Attend preliminary conference with the Locality regarding the requirements of the project.
2. Make any necessary field measurements of existing conditions or collect other field data required for proper design of the project. Provide consultation and advice as to the necessity of the Locality providing or obtaining other services such as subsurface exploration; laboratory testing and inspecting of samples or materials; other special consultation. Special services such as these will be in addition to this contract and be the responsibility of the Locality. The Engineer will review any tests required and act as the Locality's representative in connection with any such services.
3. Prepare bid packet / contract documents / advertisements for bids. (Bid package shall be furnished by the Locality's Grant Consultant.)
4. Incorporate any and all wage-rate modifications or supersedeas via bid addendum (if applicable).
5. Conduct bid opening and prepare minutes.
6. Tabulate, analyze, and review bids for completeness and accuracy.
7. Issue Start of Construction Notice and Notice to Proceed to material supplier and Grant Administrator.
8. Design facilities to be used by the public for access by persons with disabilities in accordance with Public Law 504, where applicable.
9. Use forms, where applicable, for instructions to bidders, general conditions, contract, bid bond, performance bond, and payment bond which have Office of Rural Community Affairs (ORCA) approval.
10. Make up to four (4) periodic visits to the County to review the sites to observe the progress and quality of the work and to determine in general if the work is proceeding in accordance with the Contract. If more than four (4) trips are required, these shall be considered an additional service and the Engineer shall be entitled to compensation by the Locality in accordance with the Engineer's current rate schedule (hourly plus reimbursable basis).

11. Consult with and advise the Locality during construction; issue to contractors all instructions required by the Locality; prepare routine change orders if required, at no charge for engineering services to the Locality when the change order is required to correct errors or omissions by the Engineer; and provide price analysis for change orders; process and submit change orders to Grant Administrator for approval prior to execution by Locality.
12. Based on the Engineer's on-site observations and review of the contractor's applications for payment, determine the amount owing to the contractor in such amounts; such approvals of payment to constitute a representation to the Locality, based on such observations and review, that the work has progressed to the point indicated and that the quality of work is in accordance with the plans, specifications and contract documents.
13. Require that a 10% retainage be withheld from all payment on construction contracts until final acceptance by the Locality and approval by Office of Rural Community Affairs (ORCA), unless State or local law provides otherwise.
14. Prepare Certificate of Construction Completion.
15. Conduct a final inspection.
16. Revise contract drawings to show the work as actually constructed, and furnish the Locality with a set of "record drawings" plans.

### **CONSTRUCTION SUBCONTRACTS**

**Engineer shall meet the following provisions through the Construction Documents, except as shall be the responsibility of the Grant Administrator.**

1. No work under this Contract shall be subcontracted by Engineer without prior approval, in writing, from the Locality.
2. If any time during progress of the work, the Locality determines that any subcontractor is incompetent or undesirable, the Locality will notify the Engineer who shall take reasonable and immediate steps to satisfactorily cure the problem, substitute performance, or cancel such subcontract. Subletting by subcontractors shall be subject to the same regulations. Nothing contained in this Contract shall create any contractual relation between any subcontractor and Locality.
3. The Engineer will include, in all contracts and subcontracts of amounts in excess of \$100,000.00, a provision which required compliance with all applicable standards, orders or requirements issued under Section 306 of the Clean Air Act [42 U.S. 1857 (h), Section 508 of the Clean Water Act (33 U.S.C. 1368d), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR, Part 15), which prohibit the use under non-exempt Federal contracts, grants or loans of facilities included on the EPA List of Violating facilities. The provisions shall require reporting of violations to Office of Rural Community Affairs (ORCA) and to the U.S. Environmental Protection Agency Assistant Administrator for Enforcement.

4. The Engineer will include in all contracts and subcontracts, other than for small purchases (less than \$25,000), provisions or conditions which will allow for administrative, contractual or legal remedies in instances which violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate.
5. The Engineer will include in all contracts and subcontracts in excess of \$25,000 suitable provisions for termination by the Locality including the manner by which it will be affected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the Engineer.
6. The Engineer will include in all contract and subcontracts in excess of \$25,000 provisions requiring compliance with the following, where applicable:
  - a. The Engineer will not discriminate against any employee or applicant for employment because of race, creed, sex, color, national origin, physical or mental disability, marital status, parenthood, or age.
  - b. Executive Order 11246—Equal Employment Opportunity.
  - c. Copeland Anti-Kickback Act.
  - d. Davis-Bacon Act.
  - e. Sections 103 and 107 of the Contract Work Hours and Safety Standards Act.
  - f. A provision recognizing mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act.
  - g. Section 3 of the Housing and Urban Development Act of 1969.
  - h. Title VI of the Civil Rights Act of 1964.
7. The Engineer will include in all negotiated contracts and subcontracts a provision which indicates that funds will not be awarded under this contract to any party which is debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549 and 24 CFR Part 24. Under this Contract, a certification shall be provided and received from each proposed subcontractor and its principals.
8. The Engineer will include in all negotiated contracts and subcontracts a provision to the effect that the Locality, ORCA, the Comptroller General of the State of Texas, or any of their duly authorized representatives shall have access to any books, documents, papers, and records of the Contractor which are directly pertinent to that specific contract, for the purpose of making audit, examination, excerpts, and transcriptions.
9. The Engineer will include in all contracts and subcontracts a requirement that the Contractor maintain all relevant project records for three (3) years after the Locality has made final payment to the Contractor and all other pending matters are closed.

**STANDARD OF PERFORMANCE AND DEFICIENCIES**

1. All services of the Engineer and its independent professional associates, consultants and subcontractors will be performed in a professional, reasonable and prudent manner in accordance with generally accepted professional practice. The Engineer represents that it has the required skills and capacity to perform work and services to be provided under this Contract.
2. The Engineer represents that services provided under this Contract shall be performed within limits prescribed by the Locality in a manner consistent with that level of care and skill ordinarily exercised by other professional consultants under similar circumstances.
3. Any deficiency in Engineer's work and services performed under this contract shall be subject to the provisions of applicable state and federal law. Any deficiency discovered shall be corrected upon notice from Locality and at the Engineer's expense if the deficiency is due to Engineer's negligence. The Locality shall notify the Engineer in writing any such deficiency and provide an opportunity for mutual investigation and resolution of the problem prior to pursuit of any judicial remedy. In any case, this provision shall in no way limit the judicial remedies available to the Locality under applicable state or federal law.
4. The Engineer agrees to and shall hold harmless the Locality, its officers, employees, and agents from all claims and liability of whatsoever kind or character due to or arising solely out of the negligent acts or omissions of the engineer, its officers, agents, employees, subcontractors, and others acting for or under the direction of the Engineer doing the work herein contracted for or by or in consequence of any negligence in the performance of this Contract, or by or on account of any omission in the performance of this Contract.
5. Additional Services outside the Scope of this Contract may only be provided by the Engineer with the written approval of the Locality. Said request shall include an estimate for said services represented as a fixed fee with a cost breakdown for time and effort.
6. If Locality shall request resident inspection (observation), the Engineer shall furnish said services at a cost of \$750.00 per day, not to exceed \$90,000.00. All Inspection Services required as a result of the Construction Contractor's failure to perform, shall be billed by the Locality to said Contractor as liquidated damages, unless approved in writing by the Locality.

The "not-to-exceed" price shown above is calculated at the per day cost times the estimated construction time of 120 working days.

EXHIBIT A  
TIME SCHEDULE\*  
PROFESSIONAL ENGINEERING SERVICES

The following are estimated completion dates for the project based on a start date of September 24, 2007.

- |   |                          |
|---|--------------------------|
| 1. Completion of Preliminary Engineering  | <u>November 15, 2007</u> |
| 2. Approval of Plans and Specifications   | <u>November 29, 2007</u> |
| 3. Completion of Bid Advertisement and Contract Award   | <u>January 5, 2008</u>   |
| 4. Construction Commencing  | <u>January 28, 2008</u>  |
| 5. Completion of final inspection and acceptance by the Locality and submittal of Record Drawings | <u>May 28, 2008</u>      |

\* This time schedule is predicated on the receipt of the executed Agreement by the Engineering firm by August 24, 2007.

Upon completion and approval of the construction plans, we will coordinate with the Locality and its Grant Administrator as to the best time to bid in order to obtain the most favorable bids. The timing assumes that if the Locality procures loan funds, these will not require additional engineering or environmental requirements (as with USDA/TWDB, etc.).

The estimated construction time frame is based on consecutive calendar.

**Attn:** Honorable John Thompson, County Judge

**RE:** FY-2006 TCDP Flood Grant Improvements

Dear Judge Thompson:

We appreciate the County's selection of Goodwin-Lasiter, Inc. as the engineering firm for the referenced Project. The proposed project includes the following planned improvements on Swick Trail in Big Thicket Lake Estates:

- Prepare and reshape roadway for approximately 35 stations.
- Stabilize pavement sub-grade.
- Asphaltic prime coat and two course surface treatment.
- Replace select driveway and roadway culverts.

The scope of our services and associated costs for each task is as follows:

Preliminary Engineering	\$ 4,000.00
Basic Engineering	\$ 33,000.00
Design Surveying	\$ 5,800.00
Bidding, Advertisement & Contract Award	\$ 4,000.00
Construction Phase	\$ 4,400.00
Final Inspection/Record Drawings	\$ 1,000.00
<b>Total</b>	<b>\$ 52,200.00</b>

We appreciate this opportunity to work with the County on the project.

Sincerely,

Pat G. Oates, P.E.  
Director of Engineering

**PART IV**  
**TERMS & CONDITIONS**

PROFESSIONAL MANAGEMENT, ENGINEERING AND/OR ARCHITECTURAL SERVICES

1. Termination of Contract for Cause. If, through any cause, the Firm shall fail to fulfill in a timely and proper manner his/her obligations under this Contract, or if the Firm shall violate any of the covenants, agreements, or stipulations of this Contract, the County shall thereupon have the right to terminate this Contract by giving written notice to the Firm of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Firm under this Contract shall, at the option of the County, become its property and the Firm shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Notwithstanding the above, the Firm shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Contract by the Firm, and the County may withhold any payments to the Firm for the purpose of set-off until such times as the exact amount of damages due the County from the Firm is determined.

2. Termination for Convenience of the County. The County may terminate this Contract at any time by giving at least ten (10) days notice in writing to the Firm. If the Contract is terminated by the County as provided herein, the Firm will be paid for the time provided and expenses incurred up to the termination date. If this Contract is terminated due to the fault of the Firm, Paragraph 1 hereof relative to termination shall apply.
3. Changes. The County may, from time to time, request changes in the scope of the services of the Firm to be performed hereunder. Such changes, including any increase or decrease in the amount of the Firm's compensation, which are mutually agreed upon by and between the County and the Firm, shall be incorporated in written amendments to this Contract.
4. Personnel
  - a. The Firm represents that it has, or will secure at its own expense, all personnel required in performing the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with the County of Jasper.
  - b. All of the services required hereunder will be performed by the Firm or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under State and Local law to perform such services.
  - c. None of the work or services covered by this Contract shall be subcontracted without the prior written approval of the County. Any work or services subcontracted hereunder shall be specified by written contract or agreement and shall be subject to each provision of this Contract.
5. Assignability. The firm shall not assign any interest on this Contract, and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of the County thereto: Provided, however, that claims for money by the Firm from the County under this Contract may be assigned to a bank, trust company, or other financial institution without such approval. Written notice of any such assignment or transfer shall be furnished promptly to the County.

6. Reports and Information. The Firm, at such times and in such forms as the County may require, shall furnish the County such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Contract, the cost and obligations incurred in connection therewith, and any other matters covered by this Contract.
7. Records and Audits. The Firm shall insure that the County maintains fiscal records and supporting documentation for all expenditures of funds made under this contract in a manner which conforms to OMB Circular A-87, Section 570.490 of the Regulations, and this Contract. Such records must include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the funds provided under this Contract. County shall retain such records, and any supporting documentation, for the greater of three years from closeout of the Contract or the period required by other applicable laws and regulations.
8. Findings Confidential. All of the reports, information, data, etc., prepared or assembled by the firm under this contract are confidential, and the Firm agrees that they shall not be made available to any individual or organization without the prior written approval of the County.
9. Copyright. No reports, maps, or other documents produced in whole or in part under this Contract shall be subject of an application for copyright by or on behalf of the Firm.
10. Compliance with Local Laws. The Firm shall comply with all applicable laws, ordinances and codes of the State and local governments, and the Firm shall save the County harmless with respect to any damages arising from any tort done in performing any of the work embraced by this Contract.
11. Equal Employment Opportunity. During the performance of this Contract, the Firm agrees as follows:
  - a. The Firm will not discriminate against any employee or applicant for employment because of race, creed, sex, color, handicap or national origin. The Firm will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, sex, color, handicap or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships. The Firm agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the County of Jasper setting forth the provisions of this non-discrimination clause.
  - b. The Firm will, in all solicitation or advertisements for employees place by or on behalf of the Firm, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, sex, handicap or national origin.
  - c. The Firm will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Contract so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
  - d. The Firm will include the provisions a. through c. in every subcontract or purchase order unless exempted.

12. Civil Rights Act of 1964. Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.
13. Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the ground of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.
14. Section 3" Compliance in the Provision of Training, Employment & Business Opportunities.
  - a. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.
  - b. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 C.F.R. 235, and all applicable rules and orders of the Department issued thereunder prior to the execution of this Contract. The parties to this Contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.
  - c. The contractor will send to each labor organization or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers= representative of his/her commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
  - d. The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 C.F.R. Part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
  - e. Compliance with the provisions of Section 3, the regulations set forth in 24 C.F.R. Part 135, and all applicable rules and orders of the Department issued hereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors and assigns to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 C.F.R. Part 135.

15. Section 503 Handicapped (if \$2,500 or Over) Affirmative Action for Handicapped Workers.
- a. The contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: employment, upgrading, demotion, or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
  - b. The contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
  - c. In the event of the contractor's non-compliance with the requirements of this clause, actions for non-compliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
  - d. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.
  - e. The contractor will notify each labor union or representative or workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by the terms of Section 503 of Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.
  - f. The contractor will include the provisions of this clause in every subcontract or purchase order of \$2,500 or more unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for non-compliance.
16. Interest of Members of a County. No member of the governing body of the County and no other officer, employee, or agent of the County, who exercises any function or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this Contract and the Firm shall take appropriate steps to assure compliance.
17. Interest of Other Local Public Officials. No member of the governing body of the locality and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this Contract; and the Firm shall take appropriate steps to assure compliance.
18. Interest of Firm and Employees. The Firm covenants that it presently has no interest and shall not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his/her services hereunder. The Firm further covenants that in the performance of this Contract, no person having any such interest shall be employed.
