**SAVNS MAINTENANCE GRANT CONTRACT BETWEEN
THE OFFICE OF THE ATTORNEY GENERAL
AND POLK COUNTY
FOR THE STATE FISCAL YEAR 2009**

OAG Contract No. 0908558

THIS GRANT CONTRACT is executed between the Office of the Attorney General of Texas (OAG) and Polk County (COUNTY). The Office of the Attorney General and COUNTY may be referred to in this contract individually as a "Party" and collectively as the "Parties."

SECTION 1. PURPOSE OF THE CONTRACT

The purpose of the OAG SAVNS grant program is to maintain Texas counties in a statewide system that will provide relevant offender release information, notification of relevant court settings or events, promote public safety and support the rights of victims of crime. To accomplish the public purpose, the OAG will reimburse COUNTY for certain cost incurred in the implementation and operation of its portion of the statewide crime victim notification service ("SAVNS"). To ensure a standard statewide service to all interested counties, including COUNTY, the OAG will reimburse COUNTY for eligible expenses related to services delivered to COUNTY by the vendor certified by the OAG to provide certain services to the COUNTY.

A Request for Proposals (RFP) for Statewide Automated Victim Services was published November 28, 2005. After an evaluation of proposals, the OAG identified and certified a single vendor to provide statewide automated victim services. The certification is stated in that certain document dated January 13, 2006, as renewed until August 31, 2009, by document dated June 25, 2007, and entitled: Vendor Certification for the Statewide Automated Victim Notification Service. This document is hereinafter referred to as the "Certification" and is expressly incorporated herein by reference. The vendor certified to provide the services is Appriss, Inc., a Kentucky corporation authorized to do business in Texas ("Certified Vendor").

SECTION 2. SERVICE PERIOD (TERM) OF THE CONTRACT

2.1 Service Period (Term). The Service Period (Term) of this contract shall commence on the later of September 1, 2008 or the date of the signature by the OAG executing this contract, (being the date shown on this contract as the date executed by OAG); and unless terminated earlier as provided by another provision of this contract, this contract will terminate August 31, 2009.

2.2 Option to Extend Service Period (Term). This contract may be extended for an additional Service Period (Term) by a written amendment executed with the same formalities as this contract. Extending the Service Period (Term) does not increase the contract amount. Any increase in the contract amount must also be by written amendment executed with the same formalities as this contract.

SECTION 3 COUNTY'S CONTRACTUAL SERVICES

3.1. County Services Agreement. COUNTY will execute a "County Services Agreement," a contractual agreement, with the Certified Vendor to provide services consistent with the Certification document. The County Services Agreement will include terms and conditions that are intended to provide the COUNTY such rights and remedies as are necessary to ensure the delivery of the services from the Certified Vendor in accordance with the Scope of Services as stated in this contract and the Certification document.

For the convenience of COUNTY, a template services agreement will be made available to COUNTY. The OAG is not acting as an attorney for the COUNTY, therefore the COUNTY is advised to have attorneys of its choice to review and modify the template services agreement to protect the interest of the COUNTY and to ensure that the appropriate level of services will be delivered.

The standard to define whether the data is timely and accurate should be determined by the County Auditor or the person in the COUNTY who assumes these independent responsibilities if other than the Auditor.
- 3.3.3. Establish a COUNTY VINE log for the purpose of recording all problems noted with the system; to whom the problem was referred, and when the problem was resolved.
- 3.3.4. Provide periodic written reports (forms provided by OAG) describing COUNTY monitoring, findings, usage, problems and observations as requested by the OAG.
- 3.3.5. The County Judge may delegate the responsibility for assuring these activities are

accurately reported to the County Auditor or the person in the COUNTY who assumes these independent responsibilities if other than the Auditor.
