A. Measure of Liability

In consideration of full and satisfactory performance of the activities referred to in Section 3 of this contract, the Office shall be liable for actual and reasonable costs incurred by the Contractor during the contract period for performances rendered under this contract by the Contractor, subject to the limitations set forth in this Section 4.

1. It is expressly understood and agreed by the parties that the Office's obligations under this section 4 are contingent upon the actual receipt of adequate state or federal funds to meet Office's liabilities under this contract. If adequate funds are not available to make payments under this contract, Office shall notify the Contractor in writing within a reasonable time after such fact is determined. Office shall terminate this contract and will not be liable for failure to make payments to the Contractor under this contract.
2. The Office shall not be liable to the Contractor for any costs incurred by the Contractor, or any portion thereof, which has been paid to the Contractor or is subject to payment to the Contractor, or has been reimbursed to the Contractor or is subject to reimbursement to the Contractor by any source other than the Office or the Contractor.
3. The Office shall not be liable to the Contractor for any costs incurred by the Contractor which are not allowable costs, as set forth in Section 6 (A) of this contract.
4. The Office shall not be liable to the Contractor for any costs incurred by the Contractor or for any performances rendered by the Contractor which are not strictly in accordance with the terms of this contract, including the terms of Exhibit A, Exhibit B, Exhibit C, Exhibit D, and Exhibit E of this contract.
5. The Office shall not be liable to the Contractor for any costs incurred by the Contractor in the performance of this contract which have not been billed to the Office by the Contractor within sixty (60) days following termination of this contract unless otherwise provided for in the Certificate of Expenditures referred to in Section 8 (C) of this contract.
6. The Office shall not be liable for costs incurred or performances rendered by the Contractor before commencement of this contract or after termination of this contract, unless the Contractor receives written approval from the Office and they are specifically identified in Exhibit A, Performance Statement and Exhibit B, Budget, of this contract.
7. The Office shall not be liable for costs incurred and reserved on the Certificate of Expenditures if such costs are not billed to the Office within ninety days after the contract's termination date. An exception will be made for the reserved funds for the final 5% administrative drawdown for programmatic closure. Audit funds reserved on the Certificate of Expenditures eligible for reimbursement under the provisions of Section 19 of this contract shall be billed to the Office within twelve months after the end of the Contractor's fiscal year that follows the termination date of this contract. The Office shall deobligate all reserved funds not requested under this subsection.

B. Excess Payments

The Contractor shall refund to the Office any sum of money which has been paid to the Contractor by the Office, which the Office determines has resulted in overpayment to the Contractor, or which the Office determines has not been spent by the Contractor strictly in accordance with the terms of this contract. Such refund shall be made by the Contractor to the Office within thirty (30) working days after such refund is requested by the Office.

C. Limit of Liability

Notwithstanding any other provision of this contract, the total of all payments and other obligations incurred by the Office under this contract shall not exceed the sum of Two Hundred Forty-four Thousand and No/100 Dollars (\$244,000).

SECTION 5. METHOD OF PAYMENT

A. The Contractor shall submit to the Office at its offices in Travis County, Texas, a properly completed Request for Payment form and State of Texas Purchase Voucher, as specified by the Office, as often as actually needed. The Office shall determine the reasonableness of each amount requested and shall not make disbursement of any such payment until the Office has reviewed and approved such Request.

B. The Contractor's requests for the advance of funds shall be limited to the minimum amounts needed for effective operation of programs under this contract, and shall be timed as closely as possible to be in accord with actual cash requirements. The Contractor shall establish procedures to minimize the time elapsing between the transfer of funds from the Office to the Contractor and shall ensure that such funds are disbursed as soon as administratively possible.

C. Notwithstanding the provisions of Section 5 (A) of this contract, it is expressly understood and agreed by the parties that payments under this contract are contingent upon the Contractor's full and satisfactory performance of its obligations under this contract.

D. It is expressly understood and agreed by the parties that any right or remedy provided for in this Section 5 or in any other provision of this contract shall not preclude the exercise of any other right or remedy under this contract or under any provision of law, nor shall any action taken in the exercise of any right or remedy be deemed a waiver of any other rights or remedies. Failure to exercise any right or remedy shall not constitute a waiver of the right to exercise that or any other right or remedy at any time.

SECTION 6. UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND PROGRAM INCOME

A. Except as specifically modified by law or the provisions of this contract, the Contractor shall comply with the Regulations in Exhibit D and, for matters not addressed therein, with 24 C.F.R. Part 85, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments" (referred to as the "Common Rule") as modified by the rules promulgated by the Office of the Governor under the Uniform Grant and Contract Management Act (TEX. GOV'T. CODE ANN. Chapter 783; referred to as "UGCMS."), in performing this contract. 1. The Contractor shall maintain records of the receipt, accrual, and disposition of all program income in the same manner as required for all other funds under this contract, and the Contractor shall provide reports of program income to the Office with each form submitted by the Contractor in accordance with Section 5 of this contract, and at the termination of this contract.

2. Program income earned by the Contractor during the period of this contract shall be retained by the Contractor and utilized by the Contractor to fund performances specified in this contract, in the manner specified, prior to requesting additional funds from the Office.

3. At least sixty (60) days prior to the termination of this contract, the Contractor shall submit a plan to the Office for its approval which specifies the manner in which the Contractor proposes to use any unexpended program income earned under this contract to continue the performance specified in this contract in the manner specified. Any program income earned by the Contractor from this contract, prior to the establishment and approval of a Revolving Loan Fund plan by the Contractor must be returned to the Office. In the event the Office does not approve the plan submitted by the Contractor, the Contractor shall return such program income to the Office within thirty (30) working days after receipt of the Office's notification of disapproval.

SECTION 7. RETENTION AND ACCESSIBILITY OF RECORDS

A. The Contractor shall maintain fiscal records and supporting documentation for all expenditures of funds made under this contract in a manner which conforms to OMB Circular A 87, 24 CFR Section 570.490 of the Regulations in Exhibit D, and this contract. Such records must include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the funds provided under this contract. The Contractor shall retain such records, and any supporting documentation, for the greater of four years from the day the Contractor submits its final audit report and all other pending matters are closed. If an expenditure or audit report has been waived, the retention period starts on the day the report would have been due or the period required by other applicable laws and regulations as described in the Regulations in Exhibit D.

B. The Contractor shall give the United States Department of Housing and Urban Development, the Inspector General, the General Accounting Office, the Auditor of the State of Texas, an office or agency of the State of Texas, and the Office, or any of their duly authorized representatives, access to and the right to examine all books, accounts, records, reports, files, and other papers, things, or property belonging to or in use by the Contractor pertaining to this contract. Such rights to access shall continue as long as the records are retained by the Contractor. The Contractor agrees to maintain such records in an accessible location and to provide citizens reasonable access to such records consistent with the Texas Public Information Act.

C. The Contractor shall include the substance of this Section 7 in all subcontracts.

SECTION 8. REPORTING REQUIREMENTS

A. The Contractor shall submit to the Office such reports on the operation and performance of this contract as may be required by the Office including but not limited to the reports specified in this Section 8.

B. The Contractor shall submit to the Office no later than the twentieth (20th) day of the month after the end of each calendar quarter of the contract period specified in Section 2, a Quarterly Progress Report of the progress, in narrative form, of all construction and nonconstruction activities by budget categories performed pursuant to Exhibit A, Performance Statement, and of the expenditures and obligations of funds by budget category made pursuant to Exhibit B, Budget, of this contract. The Quarterly Progress Report shall be in a format prescribed by the Office and shall include all such activities, expenditures, and obligations made or performed under this contract during the previous quarter.

C. The Contractor shall submit a Certificate of Expenditures to the Office no later than sixty (60) days after the contract termination date or at the conclusion of all contract activities as determined by the Office. The Certificate of Expenditures shall be in a format prescribed by the Office and shall be accompanied by a final Project Completion Report of all activities performed under this contract.

D. In addition to the limitations on liability otherwise specified in this contract, it is expressly understood and agreed by the parties that if the Contractor fails to submit to the Office in a timely and satisfactory manner any report required by this contract, the Office may, at its sole option and in its sole discretion, withhold any or all payments otherwise due or requested by the Contractor. If the Office withholds such payments, it shall notify the Contractor in writing of its decision and the reasons therefore. Payments withheld pursuant to this paragraph may be held by the Office until such time as the delinquent obligations for which funds are withheld are fulfilled by the Contractor.

E. The Contractor is required to immediately report to the Office any incident of criminal misapplication of Texas Community Development Block Grant (TxCDBG) funds associated with this contract.

SECTION 9. MONITORING

The Office reserves the right to perform periodic on-site monitoring of the Contractor's compliance with the terms and conditions of this contract, and of the adequacy and timeliness of the Contractor's performances under this contract. After each monitoring visit, the Office shall provide the Contractor with a written report of the monitor's findings. If the monitoring reports note deficiencies in the Contractor's performances under the terms of this contract, the monitoring report shall include requirements for the timely correction of such deficiencies by the Contractor. Failure by the Contractor to take action specified in the monitoring report may be cause for suspension or termination of this contract, as provided in Sections 17 and 18 of this contract.

SECTION 10. INDEPENDENT CONTRACTOR

It is expressly understood and agreed by the parties that the Office is contracting with the Contractor as an Independent Contractor, and that the Contractor, as such, agrees to the extent allowed by law to hold the Office harmless and to indemnify the Office from and against any and all claims, demands, and causes of action of every kind and character which may be asserted by any third party occurring or in any way incident to, arising out of, or in connection with the services to be performed by the Contractor under this contract.

SECTION 11. SUBCONTRACTS

A. Except for subcontracts to which the federal labor standards requirements apply, the Contractor may subcontract for performances described in this contract without obtaining the Office's prior written approval. The Contractor shall only subcontract for performances described in this contract to which the federal labor standards requirements apply after the Contractor has submitted a Subcontractor Eligibility form, as specified by the Office, for each such proposed subcontract, and the Contractor has obtained the Office's prior written approval, based on the information submitted, of the Contractor's intent to enter into such proposed subcontract. The Contractor, in subcontracting for any performances described in this contract, expressly understands that in entering into such subcontracts, the Office is in no way liable to the Contractor's subcontractor(s).

B. In no event shall any provision of this Section 11, specifically the requirement that the Contractor obtain the Office's prior written approval of a subcontractor's eligibility, be construed as relieving the Contractor of the responsibility for ensuring that the performances rendered under all subcontracts are rendered so as to comply with all of the terms of this contract, as if such performances rendered were rendered by the Contractor. The Office's approval under Section 11 does not constitute adoption, ratification, or acceptance of the Contractor's or subcontractor's performance. The Office maintains the right to insist upon the Contractor's full compliance with the terms of this contract, and by the act of approval under Section 11, the Office does not waive any right of action which may exist or which may subsequently accrue to the Office under this contract.

C. The Contractor shall comply with 24 CFR Section 85.36, this contract and all applicable federal, state and local laws, regulations, and ordinances for making procurements under this contract.

D. The Contractor shall maintain a retainage in the amount of five percent (5%) of each construction or rehabilitation subcontract entered into by the Contractor until the Office determines that the Federal labor standards requirements applicable to each such subcontract have been satisfied.

SECTION 12. CONFLICT OF INTEREST

A. The Contractor shall ensure that no employee, officer, or agent of the Contractor shall participate in the selection, or in the award or administration of a subcontract supported by funds provided if a conflict of interest, real or apparent, would be involved. Such conflict of interest would arise when: 1) The employee, officer, or agent; 2) any member of his or her immediate family; 3) his or her partner; or, 4) any organization which employs, or is about to employ any of the above, has a financial or other interest in the firm or person selected to perform the subcontract. The Contractor shall comply with Chapter 171, Texas Local Government Code and 24 C.F.R. 570.489(h) of the federal regulations.

B. In all cases not governed by Subsection (A) of this Section, no persons specified in subsection (C) of this Section who exercise or have exercised any functions or responsibilities with respect to the activities assisted under this contract or any other CDBG contract or who are in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest or benefit from the activity, or have any interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties during their tenure or for one year thereafter.

C. The conflict of interest provisions of Subsection (B) apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the Contractor or of a subcontractor of the Contractor.

D. The Contractor shall include the substance of this section in all subcontracts.

SECTION 13. NONDISCRIMINATION, RELIGIOUS ACTIVITY, AND FAITH-BASED ORGANIZATIONS

A. The Contractor shall ensure that no person shall on the ground of race, color, national origin, religion, sex, age, or handicap be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or be denied access to any program or activity funded in whole or in part with funds made available under this contract.

B. Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in this program and activities funded under this contract. The Contractor receiving funds under this contract shall not discriminate against an organization on the basis of the organizations' religious character or affiliation. None of the performances rendered by the Contractor under this contract shall involve, nor shall any portion of the funds received by the Contractor under this contract, be used to engage in inherently religious activities. Funds made available under this contract may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. Funds made available under this contract may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities. Where a structure is used for both eligible and inherently religious activities, funds made available under this contract may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to funds provided under this contract. The Contractor shall comply with the regulations promulgated by the U.S. Department of Housing and Urban Development on faith-based activities at 24 CFR Sec. 570.200(j).

- A. The Contractor assures and guarantees that the Contractor possesses the legal authority to enter into this contract, receive funds authorized by this contract, and to perform the services the Contractor has obligated itself to perform.
- B. The person or persons signing and executing this contract on behalf of the Contractor, or representing themselves as signing and executing this contract on behalf of the Contractor, do hereby warrant and guarantee that he, she or they have been duly authorized by the Contractor to execute this contract on behalf of the Contractor and to validly and legally bind the Contractor to all terms, performances, and provisions set forth.
- C. The Office shall have the right to suspend or terminate this contract if there is a dispute as to the legal authority of either the Contractor or the person signing this contract to enter into this contract or to render performances. The Contractor is liable to the Office for any money it has received from the Office for performance of the provisions of this contract, if the Office has suspended or terminated this contract for reasons enumerated in this Section 14.

SECTION 15. LITIGATION AND CLAIMS

The Contractor shall give the Office immediate notice in writing of 1) any action, including any proceeding before an administrative agency, filed against the Contractor arising out the performance of any subcontract; and 2) any claim against the Contractor, the cost and expense of which the Contractor may be entitled to be reimbursed by the Office. Except as otherwise directed by the Office, the Contractor shall furnish immediately to the Office copies of all pertinent papers received by the Contractor with respect to such action or claim. The Contractor shall provide a notice to the Office within 30 days upon filing under any bankruptcy or financial insolvency provision of law.

SECTION 16. CHANGES AND AMENDMENTS

- A. Except as specifically provided otherwise in this contract, any alterations, additions, or deletions to the terms of this contract shall be by amendment in writing and executed by both parties to this contract.
- B. It is understood and agreed by the parties that performances under this contract must be rendered in accordance with the Act, the Regulations of the Office, assurances and certifications made to the Office by the Contractor, and the assurances and certifications made to the United States Department of Housing and Urban Development by the State of Texas with regard to the operation of the TxCDBG Program. Based on these considerations, and in order to ensure the legal and effective performance of this contract by both parties, it is agreed by the parties that the performances under this contract are amended by the provisions of the TxCDBG Project Implementation Manual and any amendments thereto and may further be amended in the following manner: The Office may from time to time during the period of performance of this contract issue policy directives which serve to establish, interpret, or clarify performance requirements under this contract. Such policy directives shall be promulgated by the Director of the TxCDBG in the form of TxCDBG issuances, shall have the effect of qualifying the terms of this contract and shall be binding upon the Contractor, as if written herein, provided however that the policy directives and any amendments to the TxCDBG Project Implementation Manual shall not alter the terms of this contract so as to release the Office of any obligation specified in Section 4 of this contract to reimburse costs incurred by the Contractor prior to the effective date of the amendments or policy directives.
- C. Any alterations, additions, or deletions to the terms of this contract which are required by changes in Federal or State law or regulations are automatically incorporated into this contract without written amendment, and shall become effective on the date designated by such law or regulation.

D. Notwithstanding Subsection A of this Section 16, the Contractor may make transfers of funds between or among budget categories of Exhibit B, Budget, without requiring an amendment to this contract, or otherwise requiring the Office's prior written approval provided that:

1. The cumulative dollar amount of all transfers among direct budget categories is equal to or less than ten percent (10%) of the total amount of this contract as specified in Section 4 (C);
2. The transfer will not change the scope or objective of the projects funded under this contract; and
3. The Contractor submits a budget revision report to the Office, on a form specified by the Office, simultaneously with the submission of the Contractor's first request for payment following any such transfers made in accordance with this Subsection D.

SECTION 17. SUSPENSION

Notwithstanding the provisions of TEX. GOVT. CODE ANN. Chapter 2251, in the event the Contractor fails to comply with any term of this contract, the Office may, upon written notification to the Contractor, suspend this contract in whole or in part and withhold further payments to the Contractor, and prohibit the Contractor from incurring additional obligations of funds under this contract.

SECTION 18. TERMINATION

A. The Office shall have the right to terminate this contract, in whole or in part, at any time before the date of completion specified in Section 2 of this contract whenever the Office determines that the Contractor has failed to comply with any term of this contract. The Office shall notify the Contractor in writing prior to the thirtieth (30th) day preceding the date of termination of such determination; the reasons for such termination; the effective date of such termination; and in the case of partial termination, the portion of the contract to be terminated.

B. Either of the parties to this contract shall have the right to terminate this contract, in whole or in part, when both parties agree that the continuation of the activities funded under this contract would not produce beneficial results commensurate with the further expenditure of funds; provided that both parties agree, in writing, upon the termination conditions, including the effective date of such termination; and in the case of partial termination, the portion of the contract to be terminated.

C. Upon termination or receipt of notice to terminate, whichever occurs first, the Contractor shall cancel, withdraw, or otherwise terminate any outstanding orders or subcontracts related to the performance of this contract or the part of this contract to be terminated, and shall cease to incur costs thereunder. The Office shall not be liable to the Contractor or to the Contractor's creditors for costs incurred after termination of this contract.

D. Notwithstanding any exercise by the Office of its right of suspension under Section 17 of this contract, or of early termination pursuant to this Section 18, the Contractor shall not be relieved of any liability to the Office for damages due to the Office by virtue of any breach of this contract by the Contractor. The Office may withhold payments to the Contractor until such time as the exact amount of damages due to the Office from the Contractor is agreed upon or is otherwise determined.

SECTION 19. AUDIT

A. The Contractor shall arrange for the performance of an annual financial and compliance audit of funds received and performances rendered under this contract, subject to the following conditions and limitations:

1. (a) Audit Required-Federal Awards. Contractors expending \$500,000 or more in Federal financial assistance for any fiscal year, beginning with fiscal years ending January 31, 2004 and after, shall have a single audit conducted in accordance with the Single Audit Act Amendments of 1996, 31 U.S.C. 7501, and OMB Circular No. A-133 - Revised as of June 27, 2003, "Audits of States, Local Governments, and Non-Profit Organizations." Alternatively, Office may require a program specific audit for certain situations and when the Single Audit Act does not apply. For purposes of this Section 19, "Federal financial assistance" means assistance that non-Federal entities receive or administer in the form of grants, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other assistance, but does not include amounts received as reimbursement for services rendered to individuals as described in OMB Circular A-133 §__205 (h) and §__205 (i). The term includes awards of Federal financial assistance received directly from Federal agencies, or indirectly through other units of State and local government.

(b) Audit Required-State Financial Assistance. Contractors that expended \$500,000 or more in total State Financial Assistance for any fiscal year, beginning with fiscal years ending January 31, 2004 and after, shall have a single or program specific audit conducted for that year in accordance with provisions of the State of Texas Single Audit Circular and the Uniform Grant Management Standards (UGMS) as adopted June 2004. For purposes of this Section 19, "State Financial Assistance" (or cost reimbursement contract) means assistance that non-state entities receive or administer in the form of grants, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, and other assistance, but does not include amounts received as an reimbursement for services rendered to individuals as described in sec. __205 (f). "State Financial Assistance" (or cost reimbursement contract) is received directly from state awarding agencies or indirectly from pass-through entities under a federal block grant. State financial assistance also does not include federal awards as defined by OMB Circular A-133.

2. Audit Expenses. Notwithstanding Section 4, the Contractor shall utilize funds budgeted under this contract to pay for that portion of the cost of such audit services properly allocable to the activities funded by the Office under this contract, provided however that the Office shall not make payment for the cost of such audit services until the Office has received a satisfactory audit report and invoice, as determined by the Office, from the Contractor; the invoice submitted for reimbursement should clearly show the percentage of cost relative to the total single audit cost of the audit services. Therefore, when submitting a request for audit fees reimbursement, the Contractor shall submit an invoice that clearly shows the total cost of the audit and the corresponding prorated charge per funding source. In addition, when applicable, an explanation shall be submitted with the reimbursement request supporting why the percentage of audit fee charges exceeds the percentage amount of TxCDBG funds expended of the total funds expended by the Contractor.

3. The Contractor shall submit one (1) copy of the report of such audit to the Office within thirty (30) days after the completion of the audit, but no later than nine (9) months after the end of the Contractor's audit period (i.e., after the Contractor's fiscal year end). The Contractor shall ensure that the audit report is made available for public inspection within thirty (30) days after completion of the audit. Audits performed under Subsection A of this Section 19 are subject to review and resolution by the Office or its authorized representative. The Contractor shall ensure the Audit Report submitted include either in the report or as part of the cover letter, auditor and contractor contact information, including contact person, mailing address, telephone, fax number and e-mail address. The Contractor shall ensure the Audit Report submitted also includes the submission of the CPA Management Letter if a Management Letter was issued to the Contractor by it's CPA firm. Failure by the Contractor to submit a completed single audit package as described in the audit requirements by the required due date could affect funding for all existing contracts, eligibility to apply under the TxCDBG Program, and the issuance of new contracts for funding awards.

4. Notwithstanding the requirements after paragraphs "A-1 through 3" of this Section 19, the Contractor shall submit within 60 days after its fiscal year end an Audit Certification Form (ACF) or a similar statement. The ACF or statement will include information indicating if the Contractor has or has not met the \$500,000 expenditure threshold that will require a Single Audit Report in accordance with the Uniform Grant Management Standards, Subpart C-Post Award Requirements, Section 26 Audit, item (d). If the Contractor did not exceed the threshold, the Contractor shall include with the ACF or statement, a list of all open Office contracts providing financial assistance and the corresponding activity. Failure by the Contractor to submit an ACF or a similar statement or failure to submit a completed single audit package as described in the audit requirements by the required due date could affect funding for all existing contracts, eligibility to apply under the TxCDBG Program, and the issuance of new contracts for funding awards.

5. Pursuant to the Texas Administrative Code §5.167(c), "Chapter 2105, Texas Government Code, requires that all subrecipients of federal block grants be included under the provisions of the Uniform Grant and Contract Management Standards." The Uniform Grant and Contract Management Standards (UGMS) (D) sec. 400 requires "Recipients who are required to have a single audit and receive state or federal awards for more than one state agency shall have a state single audit coordinating agency. The governor's office shall designate a state single audit coordinating agency based upon the state awarding agency that provides the predominant amount of direct funding to a recipient and other factors, as appropriate, to ensure equitable and manageable workloads." Further, it is the Contractor's responsibility to make this request to the governor's office pursuant to the Texas Administrative Code §5.167(c)(2), "To have a state single audit coordinating agency designated a recipient must submit a written request to the Governor's Budget and Planning Office, P.O. Box 12428, Austin, Texas 78711. This request must list the state agencies providing financial assistance with the grant amounts for the year to be audited and indicate that the governing body has authorized the initiation of the single audit."

B. Notwithstanding Subsection A of this Section 19, the Office reserves the right to conduct an annual financial and compliance review of funds received and performances rendered under this contract. The Contractor agrees to permit the Office or its authorized representative to audit the Contractor's records and to obtain any documents, materials, or information necessary to facilitate such review.

C. The Contractor understands and agrees that it shall be liable to the Office for any costs disallowed pursuant to financial and compliance audit(s) of funds received under this contract. The Contractor further understands and agrees that reimbursement to the Office of such disallowed costs shall be paid by the Contractor from funds which were not provided or otherwise made available to the Contractor under this contract.

D. The Contractor shall take such action to facilitate the performance of such audit or audits conducted pursuant to this Section 19 as the Office may require of the Contractor. Contractor shall establish written standard operating procedures and internal controls to include the timely procurement of a CPA firm to start and complete the year end single audit report if applicable, in order to comply with contractual and regulatory requirements. The Office shall not release any funds for any costs incurred by the Contractor under this contract until the Office has received a copy of any audit report required by this Section 19.

E. The Contractor shall procure audit services through an open, competitive process at least once every four years. The auditor shall retain working papers and reports for a minimum of three years after the date of issuance of the auditor's report to the auditee. Audit working papers shall be made available upon request to the Office at the completion of the audit, as a part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this part. Access to working papers includes the right to obtain copies of working papers, as is reasonable and necessary.

F. Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in any subcontract it awards.

SECTION 20. ENVIRONMENTAL CLEARANCE REQUIREMENTS

A. The Contractor understands and agrees that by the execution of this contract the Contractor shall assume the responsibilities for environmental review, decision making, and other action which would otherwise apply to the Office under Section 5304(f) of the Act, in accordance with and to the extent specified in 24 CFR Part 58. In accordance with Section 58.77(b) of such regulations, the Contractor further understands and agrees that the Contractor shall handle inquiries and complaints from persons and agencies seeking redress in relation to environmental reviews covered by approved certifications.

B. Funds provided under this contract may be obligated and expended before the actions specified in this Section occur only for the following eligible activities:

1. The payment of reasonable planning and administrative costs related to the project;
2. Environmental studies, including environmental clearance activities required by this Section; and
3. The payment or reimbursement of reasonable project engineering and design costs incurred for this project.

C. The Contractor shall prepare a written Environmental Assessment of its activities in accordance with 24 C.F.R. Part 58, Subpart E, and the TxCDBG Project Implementation Manual. The Contractor must then follow the steps specified in this subsection to ensure compliance with the National Environmental Policy Act (NEPA). When the Environmental Assessment is completed, the Contractor must follow one of the following two (2) procedures. The first is a Finding of Significant Impact, in which the Request for Release of Funds for the project is an action which may significantly affect the quality of the human environment. If this is the case, the Contractor must then prepare an Environmental Impact Statement in accordance with Subpart F or Subpart G of 24 C.F.R. Part 58. The second and more common procedure must be followed for all projects not requiring an Environmental Impact Statement. The Contractor in this instance must publish, in the manner prescribed in 24 C.F.R. Sections 58.43 and 58.45, a combined legal notice in a single publication: A Finding of No Significant Impact (FONSI), and a Notice of Intent to Request Release of Funds (NOI/RROF). In the first part of this notice, the Contractor certifies that, as a result of the Environmental Assessment, the project is not an action which may or will significantly affect the quality of the human environment. The Contractor shall then provide the public with at least fifteen (15) calendar days to comment on this combined notice following its publication date, unless exceptional circumstances exist as specified in 24 C.F.R. Section 58.46. If no unresolved problems occur, the Contractor must then concurrently submit to the Office the following documents:

1. Request for Release of Funds and Certification (form HUD 7015.15);
2. Statutory Checklist (Covering 24 CFR Part 58.5) and HUD Compliance Documentation Checklist (Covering 24 CFR Part 58.6);
3. Published FONSI and NOI/RROF; and

4. Publisher's Affidavit (only needed if sending a photocopy of the publication and not an original full page of the newspaper with publication title and date.)

Upon receipt of such documents, the Office must allow a fifteen (15) calendar day comment period to expire before it can formally release any project funds which are subject to the environmental review regulations. The Contractor must comply with all other applicable environmental requirements as specified in Exhibit D of this contract. The Contractor shall document its compliance with such other requirements in its environmental review file. The environmental review file and source documentation must be maintained as part of the environmental review record.
