COUNTY OF POLK

**Resolution Concerning TCEQ
Solid Waste Facility Rules**

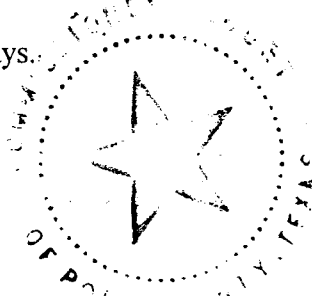

WHEREAS, current rules of the Texas Commission on Environmental Quality contain ambiguous definitions concerning the entity responsible for the permit for a solid waste facility; and

WHEREAS, petitions have been presented to amend those rules to specify that the owner of a solid waste facility shall be included on the TCEQ permit; and

WHEREAS, this change will clarify that a permit for a publically-owned facility should remain under the ownership and control of the public entity; now

THEREFORE be it resolved that the Commissioners Court of Polk County, Texas does hereby request that the Texas Commission on Environmental Quality approve the proposed change to 30 T.A.C. § 305.2 and 30 T.A.C. § 305.43(c) to clearly include the owner of a solid waste facility on the TCEQ permit for the facility.

Adopted this 9th day of December, 2008 by a vote of 5 ayes and 0 nays.
