**Honorable Commissioners Court
C/O: Judge John Thompson
101 W. Church St.
Livingston, Texas 77351**

Honorable Commissioners Court, I am respectfully requesting the approval of the following L.E.A.P grant, formally known as the LETPP grant.

The Polk County Sheriff's Office came before you back in November of 2008, requesting the LETPP grant be approved for the purchasing of replacement and repair radio equipment. Since the approval of the grant, DETCOG through their communications projects will be upgrading Polk County's radio system. This will include the items previously requested by this office, upgraded consoles and tower antennas. Thanks to their efforts to enhance the communications with in our twelve (12) county COG, and State agencies, the original L.E.A.P grant has been reallocated to the Sheriff's Office.

The attached list of items were submitted to DETCOG and approved by the state as items which can be purchased by the LEAP grant.

I am respectfully requesting the Polk County Commissioner Court grant the Polk County Sheriff's Office approval to purchase the items listed on the attached list, in the amount of \$34,215.96.

Thank you,

Kenneth Hammack
