Engagement Letter

February 22, 2010

John P. Thompson
County Judge
Polk County, Texas
101 West Church Street
Livingston, Texas 77351

We are pleased to confirm our understanding of the services we are to provide to Polk County Texas for the years ended September 30, 2010 and September 30, 2011. We will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, which collectively comprises the entity's basic financial statements, of Polk County Texas for the years ended September 30, 2010 and September 30, 2011. The financial statements will include LAH Public Facility Corporation as a component unit; however, their audit services are covered under a separate engagement letter. The document we submit to you will include the following additional information that will be subjected to the auditing procedures applied in our audit of the financial statements:

1. Management's discussion and analysis
2. Schedule of expenditures of federal awards (if required)

The document will also include the following additional information that will not be subject to the auditing procedures applied in our audit of the financial statements, and for which our auditor's report will disclaim an opinion.

1. Transmittal letter
2. Statistical section

Audit Objectives

The objective of our audit is the expression of an opinion as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the first paragraph when considered in relation to the financial statements taken as a whole. The objective also includes reporting on:

Internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The reports on internal control and compliance will each include a statement that the report is intended for the information and use of the audit committee, management, specific legislative or regulatory bodies, federal awarding agencies, and if applicable, pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Our audit will be conducted in accordance with U.S. generally accepted auditing standards; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of OMB Circular A-133, and will include tests of accounting records, a determination of major program(s) in accordance with Circular A-133, and other procedures we consider necessary to enable us to express such an opinion and to render the required reports. If our opinion on the financial statements or the Single Audit compliance opinion is other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

Management Responsibilities

Management is responsible for establishing and maintaining internal control and for compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of the controls. The objectives of internal control are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorizations and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles, and that federal award programs are managed in compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is responsible for making all financial records and related information available to us. We understand that you will provide us with such information required for our audit and that you are responsible for the accuracy and completeness of that information. We will advise you about appropriate accounting principles and their application and will assist in the preparation of your financial statements, including the schedule of expenditures of federal awards, but the responsibility for the financial statements remains with you. As part of our engagement, we may propose standard, adjusting, or correcting journal entries to your financial statements. You are responsible for reviewing the entries and understanding the nature of any proposed entries and the impact they have on the financial statements. That responsibility includes the establishment and maintenance of

adequate records and effective internal control over financial reporting and compliance, the selection and application of accounting principles, and the safeguarding of assets. Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (a) management, (b) employees who have significant roles in internal control, and (c) others where the fraud could have a material effect on the financial statements. You are also responsible for informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws and regulations. Additionally, as required by OMB Circular A-133, it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review by the beginning of fieldwork

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. As required by the Single Audit Act Amendments of 1996 and OMB Circular A-133, our audit will include tests of transactions related to major federal award programs for compliance with applicable laws and regulations and the provisions of contracts and grant agreements. Because an audit is designed to provide reasonable, but not absolute assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to matters that might arise during any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit we will also require certain written representations from you about the financial statements and related matters.

Audit Procedures—Internal Controls

In planning and performing our audit, we will consider the internal control sufficient to plan the audit in order to determine the nature, timing, and extent of our auditing procedures for the purpose of expressing our opinions on the County's financial statements and on its compliance with requirements applicable to major programs.

We will obtain an understanding of the design of the relevant controls and whether they have been placed in operation, and we will assess control risk. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Tests of controls relative to the financial statements are required only if control risk is assessed below the maximum level. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by OMB Circular A-133, we will perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to OMB Circular A-133.

An audit is not designed to provide assurance on internal control or to identify reportable conditions. However, we will inform the governing body or audit committee of any matters involving internal control and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. We will also inform you of any nonreportable conditions or other matters involving internal control, if any, as required by *Government Auditing Standards* and OMB Circular A-133.

Audit Procedures—Compliance

Our audit will be conducted in accordance with the standards referred to in the section titled Audit Objectives. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the County's compliance with applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

OMB Circular A-133 requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of the applicable procedures described in the *OMB Circular A-133 Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the County's major programs. The purpose of those procedures will be to express an opinion on the County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to OMB Circular A-133.

Audit Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any invoices selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of and sign the Data Collection Form that summarizes our audit findings. We will provide copies of our reports to Commissioners Court; however, it is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and a

corrective action plan) along with the Data Collection Form to the designated federal clearinghouse and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits. At the conclusion of the engagement, we will provide information to management as to where the reporting packages should be submitted and the number to submit.

The audit documentation for this engagement is the property of our firm and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to any Oversight Agency for Audit or its designee, a federal agency providing direct or indirect funding, or the U.S. General Accounting Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of our firm's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of three years after the date the auditors' report is issued or for any additional period requested by the Name of Cognizant Agency, Oversight Agency for Audit, or Pass-through Entity. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Fees for our services are based on the actual time spent at our standard hourly rates, plus travel and other out-of-pocket costs such as report production, typing, postage, etc. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. The time estimates used to project our fees are based on anticipated cooperation from your personnel and management fulfilling its responsibility. Our time budget for this engagement does not include addressing matters related to management's responsibilities, such as modifications to the County's financial information, additional procedures related to alleged noncompliance with laws and regulations and similar improprieties, the County's lack of preparation for the audit, and similar matters. Such time requirements have not been included in the estimate and would be billed in addition to the fees quoted at our standard hourly rates and actual costs incurred, including legal consultations, if necessary. We will notify the appropriate party when such conditions are encountered, such as identifying schedules not prepared, out-of-balance accounts, alleged violations, etc. When possible, we will provide management with options for alleviating the condition. If it appears the item will not be addressed by the County, we may perform procedures to address incidental matters to facilitate timely completion of the audit. To the extent possible, we will obtain approval before performing additional work for matters considered significant to the original proposed fee. Due to the nature of our work, such approval may not always be possible, i.e., we may be legally compelled by subpoena or similar request to expend additional time and incur other expenses to handle matters arising from this engagement.

As is customary in the industry the price quoted is an estimate. In accordance with rules of the State Board of Public Accountancy we cannot be bound to provide the audit for the amount estimated. However, in practice, we honor our fee quotes unless adverse conditions such as those described above are encountered. Our fee estimates for the County's audit service are as follows:

	<u>2010</u>	<u>2011</u>
Financial statement audit	\$ 46,876	\$ 46,876
CAFR preparation	\$ 5,950	\$ 5,950
Single Audit (if required)(> \$500,000 federal awards expended):		
Single Audit/Yellow book audit (basic procedures)	\$ 2,500	\$ 2,500
Single audit per major program* (1@\$5,800)	\$ 5,800	\$ 5,800

*Major programs are defined by OMB A-133 as programs expending more than \$300,000 in a year

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

Any client certified public accountant involved with assisting us shall not be prohibited from disclosure of information required to be made available by the standards of the public accounting profession in reporting on the examination of financial statements. Management understands and provides permissions to staff certificate or registration holders as required under the Rules of Professional Conduct, Texas Administrative Code, Title 22, Part 22, Chapter 501, Subchapter C, Section 501.75.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2009 peer review report accompanies this letter.

Dissemination of Electronic Copies of Report

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on internet websites, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document or updated documents.

We currently provide an additional service to our clients by providing an electronic copy of all of the annual financial reports of the organizations we have audited on our website so they may be easily accessed. You are providing your organization's authorization for our firm to distribute your financial information in this format.

Authorization of CPA's Disclosure

Any client certified public accountant involved with assisting us shall not be prohibited from disclosure of information required to be made available by the standards of the public accounting profession in reporting on the examination of financial statements. Management understands and provides permission to staff certificate or registration holders as required under the Rules of Professional Conduct, Texas Administrative Code, Title 22, Part 22, Chapter 501, Subchapter C, Section 501.75.

We appreciate the opportunity to be of service to the County and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

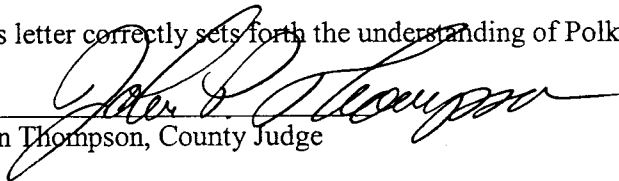

Very truly yours,

Robert Belt, CPA

RESPONSE:

This letter correctly sets forth the understanding of Polk County, Texas.

John Thompson, County Judge

System Review Report

To the Partners of Belt Harris & Associates, LLLP
and the Peer Review Committee of the
Texas Society of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Belt Harris & Associates, LLLP (the firm) in effect for the year ended June 30, 2009. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under the *Government Auditing Standards*.

In our opinion, the system of quality control for the accounting and auditing practice of Belt Harris & Associates, LLLP in effect for the year ended June 30, 2009, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency (ies)* or *fail*. Belt Harris & Associates, LLLP has received a peer review rating of *pass*.
