EXHIBIT A

THE COUNTY OF POLK CAFETERIA PLAN

ARTICLE I. Introductory Provisions

COUNTY OF POLK ("the Employer") hereby establishes the COUNTY OF POLK Cafeteria Plan ("the Plan") effective October 01 2014 ("the Effective Date"). Capitalized terms used in this Plan that are not otherwise defined shall have the meanings set forth in Article II.

This Plan is designed to allow an Eligible Employee to pay for his or her share of Contributions under one or more Insurance Plans on a pre-tax Salary Reduction basis.

This Plan is intended to qualify as a "cafeteria plan" under Code § 125 and the regulations issued thereunder. The terms of this document shall be interpreted to accomplish that objective.

Although reprinted within this document, the different components of this Plan shall be deemed separate plans for purposes of administration and all reporting and nondiscrimination requirements imposed on such components by the Code.

ARTICLE II. Definitions

"Change in Status" has the meaning described in Section 4.6.

"COBRA" means the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.

Thus, "Compensation" generally means wages or salary paid to an Employee by the Employer, as reported in Box 1 of Form W-2, but adding back any wages or salary forgone by virtue of any election described in (a), (b), or (c) of the preceding sentence.

ARTICLE III. Eligibility and Participation

3.1 Eligibility to Participate

An individual is eligible to participate in this Plan if the individual: (a) is an Employee; (b) is working 40 hours or more per week; and (c) has been employed by the Employer for a consecutive period of 0 days, counting his or her Employment Commencement Date as the first such day. Eligibility for Premium Payment Benefits may also be subject to the additional requirements, if any, specified in the Medical Insurance Plan. Once an Employee has met the Plan's eligibility requirements, the Employee may elect coverage effective the first day of the next calendar month, in

accordance with the procedures described in Article IV.

3.2 Termination of Participation

A Participant will cease to be a Participant in this Plan upon the earlier of:

• the termination of this Plan; or
• the date on which the Employee ceases (because of retirement, termination of employment, layoff, reduction of hours, or any other reason) to be an Eligible Employee. Notwithstanding the foregoing, for purposes of pre-taxing COBRA coverage certain Employees may continue eligibility for certain periods on the terms and subject to the restrictions described in Section 6.4 for Insurance Benefits.

Termination of participation in this Plan will automatically revoke the Participant's elections. The Medical Insurance Benefits will terminate as of the date specified in the Medical Insurance Plan.

3.3 Participation Following Termination of Employment or Loss of Eligibility

If a Participant terminates his or her employment for any reason, including (but not limited to) disability, retirement, layoff, or voluntary resignation, and then is rehired within 30 days or less after the date of a termination of employment, then the Employee will be reinstated with the same elections that such individual had before termination. If a former Participant is rehired more than 30 days following termination of employment and is otherwise eligible to participate in the Plan, then the individual may make new elections as a new hire as described in Section 3.1. Notwithstanding the above, an election to participate in the Premium Payment Component will be reinstated only to the extent that coverage under the Medical Insurance Plan (here, major medical insurance) is reinstated. If an Employee (whether or not a Participant) ceases to be an Eligible Employee for any reason (other than for termination of employment), including (but not limited to) a reduction of hours, and then becomes an Eligible Employee again, the Employee must complete the waiting period described in Section 3.1 before again becoming eligible to participate in the Plan.

3.4 FMLA Leaves of Absence

(a) Health Benefits. Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying leave under the FMLA, then to the extent required by the FMLA, the Employer will continue to maintain the Participant's Health Insurance Benefits on the same terms and conditions as if the Participant were still an active Employee. That is, if the Participant elects to continue his or her coverage while on leave, the Employer will continue to pay its share of the Contributions.

An Employer may require participants to continue all Health Insurance Benefits coverage for Participants while they are on paid leave (provided that Participants on non-FMLA paid leave are required to continue coverage). If so, the Participant's share of the Contributions shall be paid by the method normally used during any paid leave (for instance, on a pre-tax Salary Reduction basis).

In the event of unpaid FMLA leave (or paid FMLA leave where coverage is not required to be continued), a Participant may elect to continue his or her Health Insurance Benefits during the leave. If the Participant elects to continue coverage while on FMLA leave, then the Participant may pay his or her share of the Contributions in one of the following ways:

• with after-tax dollars, by sending monthly payments to the Employer by the due date established by the Employer;
• with pre-tax dollars, by having such amounts withheld from the Participant's ongoing Compensation (if any), including unused sick days and vacation days, or pre-paying all or a portion of the Contributions for the expected duration of the leave on a pre-tax Salary Reduction basis out of pre-leave Compensation. To pre-pay the Contributions, the Participant must make a special election to that effect prior to the date that such Compensation would normally be made available (pre-tax dollars may not be used to fund coverage during the next Plan Year); or
• under another arrangement agreed upon between the Participant and the Plan Administrator (e.g., the Plan

Administrator may fund coverage during the leave and withhold "catch-up" amounts from the Participant's Compensation on a pre-tax or after-tax basis) upon the Participant's return.

If the Employer requires all Participants to continue Health Insurance Benefits during an unpaid FMLA leave, then the Participant may elect to discontinue payment of the Participant's required Contributions until the Participant returns from leave. Upon returning from leave, the Participant will be required to repay the Contributions not paid by the Participant during the leave. Payment shall be withheld from the Participant's Compensation either on a pre-tax or after-tax basis, as agreed to by the Plan Administrator and the Participant.

If a Participant's Health Insurance Benefits coverage ceases while on FMLA leave (e.g., for non-payment of required contributions), then the Participant is permitted to re-enter the Medical Insurance Benefits upon return from such leave on the same basis as when the Participant was participating in the Plan prior to the leave, or as otherwise required by the FMLA. In addition, the Plan may require Participants whose Health Insurance Benefits coverage terminated during the leave to be reinstated in such coverage upon return from a period of unpaid leave, provided that Participants who return from a period of unpaid, non-FMLA leave are required to be reinstated in such coverage.

(b) Non-Health Benefits. If a Participant goes on a qualifying leave under the FMLA, then entitlement to non-health benefits is to be determined by the Employer's policy for providing such Benefits when the Participant is on non-FMLA leave, as described in Section 3.5. If such policy permits a Participant to discontinue contributions while on leave, then the Participant will, upon returning from leave, be required to repay the Contributions not paid by the Participant during the leave. Payment shall be withheld from the Participant's Compensation either on a pre-tax or after-tax basis, as may be agreed upon by the Plan Administrator and the Participant or as the Plan Administrator otherwise deems appropriate.

3.5 Non-FMLA Leaves of Absence If a Participant goes on an unpaid leave of absence that does not affect eligibility, then the Participant will continue to participate and the Contributions due for the Participant will be paid by pre-payment before going on leave, by after-tax contributions while on leave, or with catch-up contributions after the leave ends, as may be determined by the Plan Administrator. If a Participant goes on an unpaid leave that affects eligibility, then the election change rules detailed in Article IV will apply.

ARTICLE IV. Method and Timing of Elections; Irrevocability of Elections

4.1 Elections When First Eligible

An Employee who first becomes eligible to participate in the Plan mid-year may elect to commence participation in one or more Benefits on the first day of the month after the eligibility requirements have been satisfied, provided that an Election Form/Salary Reduction Agreement is submitted to the Plan Administrator before the first day of the month in which participation will commence. An Employee who does not elect benefits when first eligible may not enroll until the next Open Enrollment Period, unless an event occurs that would justify a mid-year election change, as described in Article IV.

The Employer reserves the right, within its discretion, to allow or require any or all of the election procedures detailed in this Article 4.1 to be performed electronically.

Benefits shall be subject to the additional requirements, if any, specified in the Medical Insurance Plan. The provisions of this Plan are not intended to override any exclusions, eligibility requirements, or waiting periods specified in any Insurance Plans.

4.2 Elections During Open Enrollment Period

During each Open Enrollment Period with respect to a Plan Year, the Plan Administrator shall provide an Election Form/Salary Reduction Agreement to each Employee who is eligible to participate in this Plan. The Election Form/Salary Reduction Agreement shall enable the Employee to elect to participate in the various Components of this Plan for the next Plan Year and to authorize the necessary Salary Reductions to pay for the Benefits elected. The Election Form/Salary Reduction Agreement must be returned to the Plan Administrator on or before the last day of the Open Enrollment Period, and it shall become effective on the first day of the next Plan Year. If an Eligible Employee fails to return the Election Form/Salary Reduction Agreement during the Open Enrollment Period, then the Employee may not elect any Benefits under this Plan until the next Open Enrollment Period, unless an event occurs that would justify a mid-year election change, as described in Article IV.

The Employer reserves the right, within its discretion, to allow or require any or all of the election procedures detailed in this Article 4.2 to be performed electronically.

4.3 Failure of Eligible Employee to File an Election Form/Salary Reduction Agreement

If an Eligible Employee fails to file an Election Form/Salary Reduction Agreement within the time period described in Sections 4.1 and 4.2, then the Employee may not elect any Benefits under the Plan (a) until the next Open Enrollment Period; or (b) until an event occurs that would justify a mid-year election change, as described in Article IV. If an Employee who fails to file an Election Form/Salary Reduction Agreement is eligible for Medical Insurance Benefits and has made an effective election for such Benefits, then the Employee's share of the Contributions for such Benefits will be paid with after-tax dollars outside of this Plan until such time as the Employee files, during a subsequent Open Enrollment Period (or after an event occurs that would justify a mid-year election change as described in Article IV), a timely Election Form/Salary Reduction Agreement to elect Premium Payment Benefits. Until the Employee files such an election, the Employer's portion of the Contribution will also be paid outside of this Plan.

4.4 Irrevocability of Elections

Unless an exception applies (as described in this Article IV), a Participant's election under the Plan is irrevocable for the duration of the Period of Coverage to which it relates.

Unless otherwise noted in this section, a Participant's election under the Plan is irrevocable for the duration of the Period of Coverage to which it relates. In other words, unless an exception applies, the Participant may not change any elections for the duration of the Period of Coverage regarding:

- Participation in this Plan;
- Salary Reduction amounts; or
- election of particular Benefit Package Options.

4.5 Procedure for Making New Election If Exception to Irrevocability Applies

(a) Timeframe for Making New Election. A Participant (or an Eligible Employee who, when first eligible under Section 3.1 or during the Open Enrollment Period, declined to be a Participant) may make a new election within 30 days of the occurrence of an event described in Section 4.6 or 4.7, as applicable, but only if the election under the new Election Form/Salary Reduction Agreement is made on account of and is consistent with the event and if the election is made within any specified time period (e.g., for Sections 4.7(d) through 4.7(j), within 30 days after the events described in such Sections unless otherwise required by law). Notwithstanding the foregoing, a Change in Status (e.g., a divorce or a dependent's losing dependent status) that results in a beneficiary becoming ineligible for coverage under the Medical Insurance Plan shall automatically result in a corresponding election change, whether or not requested by the Participant within the normal 30-day period.

(b) Effective Date of New Election. Elections made pursuant to this Section 4.5 shall be effective for the balance of the

Period of Coverage following the change of election unless a subsequent event allows for a further election change. Except as provided in Section 4.7(e) for HIPAA special enrollment rights in the event of birth, adoption, or placement for adoption, all election changes shall be effective on a prospective basis only (i.e., election changes will become effective no earlier than the first day of the next calendar month following the date that the election change was filed, but, as determined by the Plan Administrator, election changes may become effective later to the extent that the coverage in the applicable Benefit Package Option commences later).

4.6 Change in Status Defined

Participant may make a new election upon the occurrence of certain events as described in Section 4.7, including a Change in Status, for the applicable Component. "Change in Status" means any of the events described below, as well as any other events included under subsequent changes to Code § 125 or regulations issued thereunder, which the Plan Administrator, in its sole discretion and on a uniform and consistent basis, determines are permitted under IRS regulations and under this Plan:

(a) Legal Marital Status. A change in a Participant's legal marital status, including marriage, death of a Spouse, divorce, legal separation, or annulment;

(b) Number of Dependents. Events that change a Participant's number of Dependents, including birth, death, adoption, and placement for adoption;

(c) Employment Status. Any of the following events that change the employment status of the Participant or his or her Spouse or Dependents: (1) a termination or commencement of employment; (2) a strike or lockout; (3) a commencement of or return from an unpaid leave of absence; (4) a change in worksite; and (5) if the eligibility conditions of this Plan or other employee benefits plan of the Participant or his or her Spouse or Dependents depend on the employment status of that individual and there is a change in that individual's status with the consequence that the individual becomes (or ceases to be) eligible under this Plan or other employee benefits plan, such as if a plan only applies to salaried employees and an employee switches from salaried to hourly-paid, union to non-union, or full-time to part-time (or vice versa), with the consequence that the employee ceases to be eligible for the Plan;

(d) Dependent Eligibility Requirements. An event that causes a Dependent to satisfy or cease to satisfy the Dependent eligibility requirements for a particular benefit, such as attaining a specified age, or any similar circumstance; and

(e) Change in Residence. A change in the place of residence of the Participant or his or her Spouse or Dependents.

4.7 Events Permitting Exception to Irrevocability Rule

A Participant may change an election as described below upon the occurrence of the stated events for the applicable Component of this Plan:

(a) Open Enrollment Period. A Participant may change an election during the Open Enrollment Period.

(b) Termination of Employment. A Participant's election will terminate under the Plan upon termination of employment in accordance with Sections 3.2 and 3.3, as applicable.

(c) Leaves of Absence. A Participant may change an election under the Plan upon FMLA leave in accordance with Section 3.4 and upon non-FMLA leave in accordance with Section 3.5.

(d) Change in Status. A Participant may change his or her actual or deemed election under the Plan upon the occurrence of a Change in Status (as defined in Section 4.6), but only if such election change is made on account of and corresponds with a Change in Status that affects eligibility for coverage under a plan of the Employer or a plan of the Spouse's or Dependent's employer (referred to as the general consistency requirement). A Change in Status that affects eligibility for coverage under a plan of the Employer or a plan of the Spouse's or Dependent's employer includes a

Change in Status that results in an increase or decrease in the number of an Employee's family members (i.e., a Spouse and/or Dependents) who may benefit from the coverage.

(1) Loss of Spouse or Dependent Eligibility; Special COBRA Rules. For a Change in Status involving a Participant's divorce, annulment or legal separation from a Spouse, the death of a Spouse or a Dependent, or a Dependent's ceasing to satisfy the eligibility requirements for coverage, a Participant may only elect to cancel accident or health insurance coverage for (a) the Spouse involved in the divorce, annulment, or legal separation; (b) the deceased Spouse or Dependent; or (c) the Dependent that ceased to satisfy the eligibility requirements. Canceling coverage for any other individual under these circumstances would fail to correspond with that Change in Status. Notwithstanding the foregoing, if the Participant or his or her Spouse or Dependent becomes eligible for COBRA (or similar health plan continuation coverage under state law) under the Employer's plan (and the Participant remains a Participant under this Plan in accordance with Section 3.2), then the Participant may increase his or her election to pay for such coverage (this rule does not apply to a Participant's Spouse who becomes eligible for COBRA or similar coverage as a result of divorce, annulment, or legal separation).

(2) Gain of Coverage Eligibility Under Another Employer's Plan. For a Change in Status in which a Participant or his or her Spouse or Dependent gains eligibility for coverage under a cafeteria plan or qualified benefit plan of the employer of the Participant's Spouse or Dependent as a result of a change in marital status or a change in employment status, a Participant may elect to cease or decrease coverage for that individual only if coverage for that individual becomes effective or is increased under the Spouse's or Dependent's employer's plan. The Plan Administrator may rely on a Participant's certification that the Participant has obtained or will obtain coverage under the Spouse's or Dependent's employer's plan, unless the Plan Administrator has reason to believe that the Participant's certification is incorrect.

(e) HIPAA Special Enrollment Rights. If a Participant or his or her Spouse or Dependent is entitled to special enrollment rights under a group health plan (other than an excepted benefit), as required by HIPAA under Code § 9801(f), then a Participant may revoke a prior election for group health plan coverage and make a new election (including, when required by HIPAA, an election to enroll in another benefit package under a group health plan), provided that the election change corresponds with such HIPAA special enrollment right. As required by HIPAA, a special enrollment right will arise in the following circumstances:

• a Participant or his or her Spouse or Dependent declined to enroll in group health plan coverage because he or she had coverage, and eligibility for such coverage is subsequently lost because: (1) the coverage was provided under COBRA and the COBRA coverage was exhausted; or (2) the coverage was non-COBRA coverage and the coverage terminated due to loss of eligibility for coverage or the employer contributions for the coverage were terminated; or

• a new Dependent is acquired as a result of marriage, birth, adoption, or placement for adoption.

An election to add previously eligible Dependents as a result of the acquisition of a new Spouse or Dependent child shall be considered to be consistent with the special enrollment right. An election change on account of a HIPAA special enrollment attributable to the birth, adoption, or placement for adoption of a new Dependent child may, subject to the provisions of the underlying group health plan, be effective retroactively (up to 30 days).

For purposes of this Section 4.7(e), the term "loss of eligibility" includes (but is not limited to) loss of eligibility due to legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction of hours, or any loss of eligibility for coverage that is measured with reference to any of the foregoing; loss of coverage offered through an HMO that does not provide benefits to individuals who do not reside, live, or work in the service area because an individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual), and in the case of HMO coverage in the group market, no other benefit package is available to the individual; a situation in which an individual incurs a claim that would meet or exceed a lifetime limit on all benefits; and a situation in which a plan no longer offers any benefits to the class of similarly situated individuals that includes the individual.

(f) Certain Judgments, Decrees and Orders. If a judgment, decree, or order (collectively, an "Order") resulting from a divorce, legal separation, annulment, or change in legal custody (including a QMCSO) requires accident or health

coverage (including an election for Health FSA Benefits) for a Participant's child (including a foster child who is a Dependent of the Participant), then a Participant may (1) change his or her election to provide coverage for the child (provided that the Order requires the Participant to provide coverage); or (2) change his or her election to revoke coverage for the child if the Order requires that another individual (including the Participant's Spouse or former Spouse) provide coverage under that individual's plan and such coverage is actually provided.

(g) Medicare and Medicaid. If a Participant or his or her Spouse or Dependent who is enrolled in a health or accident plan under this Plan becomes entitled to (i.e., becomes enrolled in) Medicare or Medicaid (other than coverage consisting solely of benefits under Section 1928 of the Social Security Act providing for pediatric vaccines), then the Participant may prospectively reduce or cancel the health or accident coverage of the person becoming entitled to Medicare or Medicaid. Furthermore, if a Participant or his or her Spouse or Dependent who has been entitled to Medicare or Medicaid loses eligibility for such coverage, then the Participant may prospectively elect to commence or increase the accident or health coverage of the individual who loses Medicare or Medicaid eligibility.

(h) Change in Cost. For purposes of this Section 4.7(h), "similar coverage" means coverage for the same category of benefits for the same individuals (e.g., family to family or single to single). For example, two plans that provide major medical coverage are considered to be similar coverage.

(1) Increase or Decrease for Insignificant Cost Changes. Participants are required to increase their elective contributions (by increasing Salary Reductions) to reflect insignificant increases in their required contribution for their Benefit Package Option(s), and to decrease their elective contributions to reflect insignificant decreases in their required contribution.The Plan Administrator, in its sole discretion and on a uniform and consistent basis, will determine whether an increase or decrease is insignificant based upon all the surrounding facts and circumstances, including but not limited to the dollar amount or percentage of the cost change. The Plan Administrator, on a reasonable and consistent basis, will automatically effectuate this increase or decrease in affected employees' elective contributions on a prospective basis.

(2) Significant Cost Increases. If the Plan Administrator determines that the cost charged to an Employee of a Participant's Benefit Package Option(s) significantly increases during a Period of Coverage, then the Participant may (a) make a corresponding prospective increase in his or her elective contributions (by increasing Salary Reductions); (b) revoke his or her election for that coverage, and in lieu thereof, receive on a prospective basis coverage under another Benefit Package Option that provides similar coverage; or (c) drop coverage prospectively if there is no other Benefit Package Option available that provides similar coverage. The Plan Administrator, in its sole discretion and on a uniform and consistent basis, will decide whether a cost increase is significant in accordance with prevailing IRS guidance.

(3) Significant Cost Decreases. If the Plan Administrator determines that the cost of any Benefit Package Option significantly decreases during a Period of Coverage, then the Plan Administrator may permit the following election changes: (a) Participants enrolled in that Benefit Package Option may make a corresponding prospective decrease in their elective contributions (by decreasing Salary Reductions); (b) Participants who are enrolled in another Benefit Package Option may change their election on a prospective basis to elect the Benefit Package Option that has decreased in cost Medical Insurance Plan); or (c) Employees who are otherwise eligible under Section 3.1 may elect the Benefit Package Option that has decreased in cost on a prospective basis, subject to the terms and limitations of the Benefit Package Option. The Plan Administrator, in its sole discretion and on a uniform and consistent basis, will decide whether a cost decrease is significant in accordance with prevailing IRS guidance.

(i) Change in Coverage. The definition of "similar coverage" under Section 12.4(h) applies also to this Section 12.4(i).

(1) Significant Curtailment. If coverage is "significantly curtailed" (as defined below), Participants may elect coverage under another Benefit Package Option that provides similar coverage. In addition, as set forth below, if the coverage curtailment results in a "Loss of Coverage" (as defined below), then Participants may drop coverage if no similar coverage is offered by the Employer. The Plan Administrator in its sole discretion, on a uniform and consistent basis, will decide, in accordance with prevailing IRS guidance, whether a curtailment is "significant," and whether a Loss of Coverage has occurred.

(a) Significant Curtailment Without Loss of Coverage. If the Plan Administrator determines that a Participant's coverage under a Benefit Package Option under this Plan (or the Participant's Spouse's or Dependent's coverage under his or her employer's plan) is significantly curtailed without a Loss of Coverage (for example, when there is a significant increase in the deductible, the co-pay, or the out-of-pocket cost-sharing limit under an accident or health plan during a Period of Coverage, the Participant may revoke his or her election for the affected coverage, and in lieu thereof, prospectively elect coverage under another Benefit Package Option that provides similar coverage. Coverage under a plan is deemed to be "significantly curtailed" only if there is an overall reduction in coverage provided under the plan so as to constitute reduced coverage generally.

(b) Significant Curtailment With a Loss of Coverage. If the Plan Administrator determines that a Participant's Benefit Package Option coverage under this Plan (or the Participant's Spouse's or Dependent's coverage under his or her employer's plan) is significantly curtailed, and if such curtailment results in a Loss of Coverage during a Period of Coverage, then the Participant may revoke his or her election for the affected coverage and may either prospectively elect coverage under another Benefit Package Option that provides similar coverage or drop coverage if no other Benefit Package Option providing similar coverage is offered by the Employer.

(c) Definition of Loss of Coverage. For purposes of this Section 4.7(i)(1), a "Loss of Coverage" means a complete loss of coverage (including the elimination of a Benefit Package Option, an HMO ceasing to be available where the Participant or his or her Spouse or Dependent resides, or a Participant or his or her Spouse or Dependent losing all coverage under the Benefit Package Option by reason of an overall lifetime or annual limitation). In addition, the Plan Administrator, in its sole discretion, on a uniform and consistent basis, may treat the following as a Loss of Coverage:

• a substantial decrease in the medical care providers available under the Benefit Package Option (such as a major hospital ceasing to be a member of a preferred provider network or a substantial decrease in the number of physicians participating in the PPO for the Medical Insurance Plan or in an HMO);

• a reduction in benefits for a specific type of medical condition or treatment with respect to which the Participant or his or her Spouse or Dependent is currently in a course of treatment; or

• any other similar fundamental loss of coverage.

(2) Addition or Significant Improvement of a Benefit Package Option. If during a Period of Coverage the Plan adds a new Benefit Package Option or significantly improves an existing Benefit Package Option, the Plan Administrator may permit the following election changes: (a) Participants who are enrolled in a Benefit Package Option other than the newly added or significantly improved Benefit Package Option may change their elections on a prospective basis to elect the newly added or significantly improved Benefit Package Option; and (b) Employees who are otherwise eligible under Section 3.1 may elect the newly added or significantly improved Benefit Package Option on a prospective basis, subject to the terms and limitations of the Benefit Package Option. The Plan Administrator, in its sole discretion and on a uniform and consistent basis, will decide whether there has been an addition of, or a significant improvement in, a Benefit Package Option in accordance with prevailing IRS guidance.

(3) Loss of Coverage Under Other Group Health Coverage. A Participant may prospectively change his or her election to add group health coverage for the Participant or his or her Spouse or Dependent, if such individual(s) loses coverage under any group health coverage sponsored by a governmental or educational institution, including (but not limited to) the following: a state children's health insurance program (SCHIP) under Title XXI of the Social Security Act; a medical care program of an Indian Tribal government (as defined in Code § 7701(a)(40)), the Indian Health Service, or a tribal organization; a state health benefits risk pool; or a foreign government group health plan, subject to the terms and limitations of the applicable Benefit Package Option(s).

(4) Change in Coverage Under Another Employer Plan. A Participant may make a prospective election change that is on account of and corresponds with a change made under an employer plan (including a plan of the Employer or a plan of the Spouse's or Dependent's employer), so long as (a) the other cafeteria plan or qualified benefits plan permits its participants to make an election change that would be permitted under applicable IRS regulations; or (b) the Plan

permits Participants to make an election for a Period of Coverage that is different from the plan year under the other cafeteria plan or qualified benefits plan. For example, if an election is made by the Participant's Spouse during his or her employer's open enrollment to drop coverage, the Participant may add coverage to replace the dropped coverage. The Plan Administrator, in its sole discretion and on a uniform and consistent basis, will decide whether a requested change is on account of and corresponds with a change made under the other employer plan, in accordance with prevailing IRS guidance. A Participant entitled to change an election as described in this Section 4.7 must do so in accordance with the procedures described in Section 4.5.

(j) CHIP Special Enrollment Rights

Notwithstanding anything else in this document to the contrary, special enrollment rights shall be made available as a result of a loss of eligibility for Medicaid or for coverage under a state children's health insurance program (SCHIP) or as a result of eligibility for a state premium assistance subsidy under the plan from Medicaid or SCHIP.

4.8 ***Reserved***

4.9 Election Modifications Required by Plan Administrator

The Plan Administrator may, at any time, require any Participant or class of Participants to amend the amount of their Salary Reductions for a Period of Coverage if the Plan Administrator determines that such action is necessary or advisable in order to (a) satisfy any of the Code's nondiscrimination requirements applicable to this Plan or other cafeteria plan; (b) prevent any Employee or class of Employees from having to recognize more income for federal income tax purposes from the receipt of benefits hereunder than would otherwise be recognized; (c) maintain the qualified status of benefits received under this Plan; or (d) satisfy Code nondiscrimination requirements or other limitations applicable to the Employer's qualified plans. In the event that contributions need to be reduced for a class of Participants, the Plan Administrator will reduce the Salary Reduction amounts for each affected Participant, beginning with the Participant in the class who had elected the highest Salary Reduction amount and continuing with the Participant in the class who had elected the next-highest Salary Reduction amount, and so forth, until the defect is corrected.

ARTICLE V. Benefits Offered and Method of Funding

5.1 Benefits Offered

When first eligible or during the Open Enrollment Period as described under Article IV, Participants will be given the opportunity to elect Premium Payment Benefits, as described in Article VI.

5.2 Employer and Participant Contributions

(a) Employer Contributions. For Participants who elect Insurance Benefits described in Article VI, the Employer may contribute a portion of the Contributions as provided in the open enrollment materials furnished to Employees and/or on the Election Form/Salary Reduction Agreement.

(b) Participant Contributions. Participants who elect any of the Medical Insurance Benefits described in Article VI may pay for the cost of that coverage on a pre-tax Salary Reduction basis, or with after-tax deductions, by completing an Election Form/Salary Reduction Agreement.

5.3 Using Salary Reductions to Make Contributions

(a) Salary Reductions per Pay Period. The Salary Reduction for a pay period for a Participant is, for the Benefits elected, (1) an amount equal to the annual Contributions for such Benefits (as described in Section 6.2 for Premium Payment

Benefits; (2) an amount otherwise agreed upon between the Employer and the Participant; or (3) an amount deemed appropriate by the Plan Administrator (i.e., in the event of shortage in reducible Compensation, amounts withheld and the Benefits to which Salary Reductions are applied may fluctuate).

(b) Considered Employer Contributions for Certain Purposes. Salary Reductions are applied by the Employer to pay for the Participant's share of the Contributions for the Premium Payment Benefits are considered to be Employer contributions.

(c) Salary Reduction Balance Upon Termination of Coverage. If, as of the date that any elected coverage under this Plan terminates, a Participant's year-to-date Salary Reductions exceed or are less than the Participant's required Contributions for the coverage, then the Employer will, as applicable, either return the excess to the Participant as additional taxable wages or recoup the due Salary Reduction amounts from any remaining Compensation.

(d) After-Tax Contributions for Premium Payment Benefits. For those Participants who elect to pay their share of the Contributions for any of the Medical Insurance Benefits with after-tax deductions, both the Employee and Employer portions of such Contributions will be paid outside of this Plan.

5.4 Funding This Plan

All of the amounts payable under this Plan shall be paid from the general assets of the Employer, but Premium Payment Benefits are paid as provided in the applicable insurance policy. Nothing herein will be construed to require the Employer or the Plan Administrator to maintain any fund or to segregate any amount for the benefit of any Participant, and no Participant or other person shall have any claim against, right to, or security or other interest in any fund, account, or asset of the Employer from which any payment under this Plan may be made. There is no trust or other fund from which Benefits are paid. While the Employer has complete responsibility for the payment of Benefits out of its general assets (except for Premium Payment Benefits paid as provided in the applicable insurance policy), it may hire an unrelated third-party paying agent to make Benefit payments on its behalf. The maximum contribution that may be made under this Plan for a Participant is the total of the maximums that may be elected as Employer and Participant Contributions for Premium Payment Benefits, as described in Section 6.2.

ARTICLE VI. Premium Payment Component

6.1 Benefits

The only Insurance Benefits that are offered under the Premium Payment Component are benefits under the Medical, Dental, Vision, Bridge, Group Term Life, Hospital Indemnity, Specific Disease or Condition, Other - Accident Policy, Disability Insurance Plan(s). Notwithstanding any other provision in these Plan(s), these benefits are subject to the terms and conditions of the Insurance Plan(s), and no changes can be made with respect to such Insurance Benefits under this Plan (such as mid-year changes in election) if such changes are not permitted under the applicable Insurance Plan. An Eligible Employee can (a) elect benefits under the Premium Payment Component by electing to pay for his or her share of the Contributions for Medical Insurance Benefits on a pretax Salary Reduction basis (Premium Payment Benefits); or (b) elect no benefits under the Premium Payment Component and to pay for his or her share of the Contributions, if any, for Medical Insurance Benefits with after-tax deductions outside of this Plan. Unless an exception applies (as described in Article IV), such election is irrevocable for the duration of the Period of Coverage to which it relates.

The Employer may at its discretion offer cash in lieu of benefits for Participants who do not choose Insurance Benefits.

6.2 Contributions for Cost of Coverage

The annual Contribution for a Participant's Premium Payment Benefits is equal to the amount as set by the Employer, which may or may not be the same amount charged by the insurance carrier.

6.3 Insurance Benefits Provided Under Insurance Plans

Insurance Benefits will be provided by the Insurance Plans, not this Plan. The types and amounts of Insurance Benefits, the requirements for participating in the Insurance Plans, and the other terms and conditions of coverage and benefits of the Insurance Plans are set forth in the Insurance Plans. All claims to receive benefits under the Insurance Plans shall be subject to and governed by the terms and conditions of the Insurance Plans and the rules, regulations, policies, and procedures adopted in accordance therewith, as may be amended from time to time.

6.4 Health Insurance Benefits; COBRA

Notwithstanding any provision to the contrary in this Plan, to the extent required by COBRA, a Participant and his or her Spouse and Dependents,as applicable, whose coverage terminates under the Health Insurance Benefits because of a COBRA qualifying event (and who is a qualified beneficiary as defined under COBRA), shall be given the opportunity to continue on a self-pay basis the same coverage that he or she had under the Health Insurance Plan(s) the day before the qualifying event for the periods prescribed by COBRA.

Such continuation coverage shall be subject to all conditions and limitations under COBRA. Contributions for COBRA coverage for Health Insurance Benefits may be paid on a pre-tax basis for current Employees receiving taxable compensation (as may be permitted by the Plan Administrator on a uniform and consistent basis, but may not be prepaid from contributions in one Plan Year to provide coverage that extends into a subsequent Plan Year) where COBRA coverage arises either (a) because the Employee ceases to be eligible because of a reduction in hours; or (b) because the Employee's Dependent ceases to satisfy the eligibility requirements for coverage. For all other individuals (e.g., Employees who cease to be eligible because of retirement, termination of employment, or layoff), Contributions for COBRA coverage for Health Insurance Benefits shall be paid on an after-tax basis (unless may be otherwise permitted by the Plan Administrator on a uniform and consistent basis, but may not be prepaid from contributions in one Plan Year to provide coverage that extends into a subsequent Plan Year).

THE COUNTY OF POLK CAFETERIA PLAN

SUMMARY PLAN DESCRIPTION

Introduction

COUNTY OF POLK sponsors the COUNTY OF POLK Cafeteria Plan (the "Cafeteria Plan") that allows eligible Employees to choose from a menu of different benefits paid for with pre-tax dollars. (Such plans are also commonly known as "salary reduction plans" or "Section 125 plans").

This Summary Plan Description ("SPD") describes the basic features of the Cafeteria Plan, how it generally operates and how Employees can gain the maximum advantage from it.

PLEASE NOTE: This SPD is for general informational purposes only. It does not describe every detail of the Cafeteria Plan. If there is a conflict between the Cafeteria Plan documents and this SPD, then the Cafeteria Plan documents will control.

Cafeteria Plan

CAF Q-1. How do I pay for COUNTY OF POLK benefits on a pre-tax basis?

You may elect to pay for benefits on a pre-tax basis by entering an election with the Employer. At the Employer's option, this may be done with a traditional "paper" salary reduction agreement or it may be done in electronic form. Whatever medium is used, it shall be referred to as a Salary Reduction Agreement for purposes of this SPD.

If you elect to pay for benefits on a pre-tax basis, you agree to a salary reduction to pay for your share of the cost of coverage with pretax funds instead of receiving a corresponding amount of your regular pay that would otherwise be subject to taxes.

Example CAF Q-1(a): Sally is paid an annual salary of $30,000. Sally elects to pay for $2,000 worth of benefits for the Plan Year on a pre-tax basis. By doing so, she is electing to reduce her salary, and therefore also her taxable income, by $2,000 for the year to $28,000.

From then on, you must pay contributions for such coverage by having that portion deducted from each paycheck on a pre-tax basis (generally an equal portion from each paycheck, or an amount otherwise agreed to or as deemed appropriate by the Plan Administrator).

Example CAF Q-1(b): Using the same facts from Example Q-1(a), suppose Sally is paid 26 times a year (bi-weekly). Because she has elected $2,000 in benefits, she will have $76.92 deducted from each paycheck for the year ($2,000 divided by 26 paychecks equals $76.92).

CAF Q-2. What benefits may be elected under the Cafeteria Plan?

The Cafeteria Plan includes the following benefit plans:

The Premium Payment Component permits an Employee to pay for his or her share of contributions for insurance plans with pretax dollars. Under the COUNTY OF POLK Cafeteria Plan, these benefits may include:

* Bridge
* Dental
* Hospital Indemnity
* Specific Disease or Condition

* Medical
* Vision
* Other - Accident Policy, Disability

If you select any or all of these benefits, you will likely pay all or some of the contributions; the Employer may contribute some or no portion of them. The applicable amounts will be described in documents furnished separately to you as necessary from time to time.

The Employer may at its own discretion offer cash in lieu of benefits for participants who do not choose benefits. If the Employer does choose this option, participants will be informed through other communications.

CAF Q-3. Who can participate in the Cafeteria Plan?

Employees who are working 40 hours per week or more are eligible to participate in the Cafeteria Plan following 0 days of employment with the Employer, provided that the election procedures in CAF Q-5 are followed.

An "Employee" is any individual who the Employer classifies as a common-law employee and who is on the Employer's W-2 payroll.

Please note: "Employee" does not include the following:

(a) any leased employee (including but not limited to those individuals defined as leased employees in Code § 414(n)) or an individual classified by the Employer as a contract worker, independent contractor, temporary employee, or casual employee for the period during which such individual is so classified, whether or not any such individual is on the Employer's W-2 payroll or is determined by the IRS or others to be a common-law employee of the Employer;

(b) any individual who performs services for the Employer but who is paid by a temporary or other employment or staffing agency for the period during which such individual is paid by such agency, whether or not such individual is determined by the IRS or others to be a common-law employee of the Employer;

(c) any employee covered under a collective bargaining agreement;

(d) any individual considered "self-employed" by the IRS because of an ownership interest in COUNTY OF POLK;

CAF Q-4. What tax savings are possible under the Cafeteria Plan?

You may save both federal income tax and FICA (Social Security/Medicare) taxes by participating in the COUNTY OF POLK Cafeteria Plan.

Example CAF Q4(a): Suppose Sally pays 15% in federal income taxes for the year. With an annual salary of $30,000, that could mean as much as $4,500 in federal income taxes, plus $2,295 in FICA taxes (calculated at 7.65% of income). But by electing $2,000 of cafeteria plan benefits for the year, Sally lowers her income by $2,000, meaning she is only taxed on $28,000. This comes out to $4,200 in income tax plus $2,142 in FICA tax. That's a $453 tax savings for the year.

(**Caution**: This example is intended to illustrate the general effect of "pre-taxing" benefits through a cafeteria plan. It does not take into account the effects of filing status, tax exemptions, tax deductions and other factors affecting tax liability. Furthermore, the amount of the contributions used in this example is not meant to reflect your actual contributions. It is also not intended to reflect specifically upon your particular tax situation. You are encouraged to consult with your accountant or other professional tax advisor with regard to your particular tax situation, especially with regard to state and local taxes.)

CAF Q-5. When does participation begin and end in the Cafeteria Plan?

After you satisfy the eligibility requirements, you can become a Participant on the first day of the next calendar month by electing benefits in a manner such as described in CAF Q-1. An eligible Employee who does not elect benefits will not be able to elect any benefits under the Cafeteria Plan until the next Open Enrollment Period (unless a "Change in Election Event" occurs, as explained in CAF Q-7).

An Employee continues to participate in the Cafeteria Plan until (a) termination of the Cafeteria Plan; or (b) the date on which the Participant ceases to be an eligible Employee (because of retirement, termination of employment, layoff, reduction of hours, or any other reason). However, for purposes of pre-taxing COBRA coverage for Health Insurance Benefits, certain Employees may be able to continue eligibility in the Cafeteria Plan for certain periods. See CAF Q-8 and CAF Q-12 for more information about this as information about how termination of participation affects your Benefits.

CAF Q-6. What is meant by "Open Enrollment Period" and "Plan Year"?

The "Open Enrollment Period" is the period during which you have an opportunity to participate under the Cafeteria Plan by electing to do so. (See Q-5.) You will be notified of the timing and duration of the Open Enrollment Period, which for any new Plan Year generally will occur during the quarter preceding the new Plan Year.

The Plan Year for the COUNTY OF POLK Cafeteria Plan is the period beginning on October 01 2014 and ending on September 30 2015.

CAF Q-7. Can I change my elections under the Cafeteria Plan during the Plan Year?

Except in the case of HSA elections, you generally cannot change your election to participate in the Cafeteria Plan or vary the salary reduction amounts that you have selected during the Plan Year (this is known as the "irrevocability rule"). Of course, you can change your elections for benefits and salary reductions during the Open Enrollment Period, but those election changes will apply only for the following Plan Year.

However, there are several important exceptions to the irrevocability rule, many of which have to do with events in your personal or professional life that may occur during the Plan Year.

Here are the exceptions to the irrevocability rule:

1. Leaves of Absence

You may change an election under the Cafeteria Plan upon FMLA and non-FMLA leave only as described in CAF Q-14.

2. Change in Status.

If one or more of the following Changes in Status occur, you may revoke your old election and make a new election, provided that both the revocation and new election are on account of and correspond with the Change in Status (as described in item 3 below). Those occurrences that qualify as a Change in Status include the events described below, as well as any other events that the Plan Administrator, in its sole discretion and on a uniform and consistent basis, determines are permitted under IRS regulations:

* a change in your legal marital status (such as marriage, death of a Spouse, divorce, legal separation, or annulment);
* a change in the number of your Dependents (such as the birth of a child, adoption or placement for adoption of a Dependent, or death of a Dependent);
* any of the following events that change the employment status of you, your Spouse, or your Dependent and that affect benefits eligibility under a cafeteria plan (including this Cafeteria Plan) or other employee benefit plan of you, your Spouse, or your Dependents. Such events include any of the following changes in employment status: termination or

commencement of employment; a strike or lockout; a commencement of or return from an unpaid leave of absence; a change in worksite; switching from salaried to hourly-paid, union to non-union, or full-time to part-time (or vice versa); incurring a reduction or increase in hours of employment; or any other similar change that makes the individual become (or cease to be) eligible for a particular employee benefit;

* an event that causes your Dependent to satisfy or cease to satisfy an eligibility requirement for a particular benefit (such as an employee's child covered as a dependent by an accident or health plan who turns 27 during the taxable year); or

* a change in your, your Spouse's, or your Dependent's place of residence.

3. Change in Status - Other Requirements.

If you wish to change your election based on a Change in Status, you must establish that the revocation is on account of and corresponds with the Change in Status. The Plan Administrator, in its sole discretion and on a uniform and consistent basis, shall determine whether a requested change is on account of and corresponds with a Change in Status. As a general rule, a desired election change will be found to be consistent with a Change in Status event if the event affects coverage eligibility.

In addition, you must satisfy the following specific requirements in order to alter your election based on that Change in Status:

* *Loss of Spouse or Dependent Eligibility; Special COBRA Rules.* For Health Insurance Benefits, a special rule governs which type of election changes are consistent with the Change in Status. For a Change in Status involving your divorce, annulment, or legal separation from your Spouse, the death of your Spouse or your Dependent, or your Dependent's ceasing to satisfy the eligibility requirements for coverage, you may elect only to cancel the accident or health benefits for the affected Spouse or Dependent. A change in election for any individual other than your Spouse involved in the divorce, annulment, or legal separation, your deceased Spouse or Dependent, or your Dependent that ceased to satisfy the eligibility requirements would fail to correspond with that Change in Status.

However, if you, your Spouse, or your Dependent elects COBRA continuation coverage under the Employer's plan because you ceased to be eligible because of a reduction of hours or because your Dependent ceases to satisfy eligibility requirements for coverage, and if you remain a Participant under the terms of this Cafeteria Plan, then you may in certain circumstances be able to increase your contributions to pay for such coverage. See CAF Q-12.

* *Gain of Coverage Eligibility Under Another Employer's Plan.* For a Change in Status in which you, your Spouse, or your Dependent gains eligibility for coverage under another Employer's cafeteria plan (or qualified benefit plan) as a result of a change in your marital status or a change in your, your Spouse's, or your Dependent's employment status, your election to cease or decrease coverage for that individual under the Cafeteria Plan would correspond with that Change in Status only if coverage for that individual becomes effective or is increased under the other Employer's plan.

4. Special Enrollment Rights. In certain circumstances, enrollment for Health Insurance Benefits may occur outside the Open Enrollment Period, as explained in materials provided to you separately describing the Health Insurance Benefits. When a special enrollment right explained in those separate documents applies to your Medical Insurance Benefits, you may change your election under the Cafeteria Plan to correspond with the special enrollment right. Special enrollments may also be available as a result of a loss of eligibility for Medicaid or for coverage under a state children's health insurance program (SCHIP) or as a result of eligibility for a state premium assistance subsidy under the plan from Medicaid or SCHIP.

5. Certain Judgments, Decrees, and Orders. If a judgment, decree, or order from a divorce, separation, annulment, or custody change requires your child (including a foster child who is your Dependent) to be covered under the Health Insurance Benefits, you may change your election to provide coverage for the child. If the order requires that another individual (such as your former Spouse) cover the child, then you may change your election to revoke coverage for the child, provided that such coverage is, in fact, provided for the child.

6. Medicare or Medicaid. If you, your Spouse, or your Dependent becomes entitled to (i.e., becomes enrolled in) Medicare or Medicaid, then you may reduce or cancel that person's accident or health coverage under the Medical Insurance Plan. Similarly, if you, your Spouse, or your Dependent who has been entitled to Medicare or Medicaid loses eligibility for such coverage, then you may elect to commence or increase that person's accident or health coverage.

7. Change in Cost. If the cost charged to you for your Health Insurance Benefits significantly increases during the Plan Year, then you may choose to do any of the following: (a) make a corresponding increase in your contributions; (b) revoke your election and receive coverage under another benefit package option (if any) that provides similar coverage, or elect similar coverage under the plan of your Spouse's employer; or (c) drop your coverage, but only if no other benefit package option provides similar coverage. Coverage under another employer plan, such as the plan of a Spouse's or Dependent's employer, may be treated as similar coverage if it otherwise meets the requirements of similar coverage.) If the cost of Health Insurance significantly decreases during the Plan Year, then the Plan Administrator may permit the following election changes: (a) if you are enrolled in the benefit package option that has decreased in cost, you may make a corresponding decrease in your contributions; (b) if you are enrolled in another benefit package option (such as the HMO option under the Medical Insurance Plan), you may change your election on a prospective basis to elect the benefit package option that has decreased in cost (such as the PPO option under the Medical Insurance Plan); or (c) if you are otherwise eligible, you may elect the benefit package option that has decreased in cost on a prospective basis, subject to the terms and limitations of the benefit package option.

For insignificant increases or decreases in the cost of benefits, however, the Plan Administrator will automatically adjust your election contributions to reflect the minor change in cost.

The Plan Administrator generally will notify you of increases or decreases in the cost of Health Insurance benefits.

8. Change in Coverage. You may also change your election if one of the following events occurs:

* *Significant Curtailment of Coverage.* If your Health Insurance Benefits coverage is significantly curtailed without a loss of coverage (for example, when there is an increase in the deductible under the Medical Insurance Benefits), then you may revoke your election for that coverage and elect coverage under another benefit package option that provides similar coverage. (Coverage under a plan is significantly curtailed only if there is an overall reduction of coverage under the plan generally loss of one particular physician in a network does not constitute significant curtailment.) If your Health Insurance Benefits coverage is significantly curtailed with a loss of coverage (for example, if you lose all coverage under the option by reason of an overall lifetime or annual limitation), then you may either revoke your election and elect coverage under another benefit package option that provides similar coverage, elect similar coverage under the plan of your Spouse's employer, or drop coverage, but only if there is no option available under the plan that provides similar coverage. (The Plan Administrator generally will notify you of significant curtailments in Medical Insurance Benefits coverage.

* *Addition or Significant Improvement of Cafeteria Plan Option.* If the Cafeteria Plan adds a new option or significantly improves an existing option, then the Plan Administrator may permit Participants who are enrolled in an option other than the new or improved option to elect the new or improved option. Also, the Plan Administrator may permit eligible Employees to elect the new or improved option on a prospective basis, subject to limitations imposed by the applicable option.

* *Loss of Other Group Health Coverage.* You may change your election to add group health coverage for you, your Spouse, or your Dependent, if any of you loses coverage under any group health coverage sponsored by a governmental or educational institution (for example, a state children's health insurance program or certain Indian tribal programs).

* *Change in Election Under Another Employer Plan.* You may make an election change that is on account of and corresponds with a change made under another employer plan (including a plan of the Employer or a plan of your Spouse's or Dependent's employer), so long as (a) the other cafeteria plan or qualified benefits plan permits its participants to make an election change permitted under the IRS regulations; or (b) the Cafeteria Plan permits you to make an election for a period of coverage (for example, the Plan Year) that is different from the period of coverage under the other cafeteria plan or qualified benefits plan, which it does.

For example, if an election to drop coverage is made by your Spouse during his or her Employer's open enrollment, you may add coverage under the Cafeteria Plan to replace the dropped coverage.

CAF Q-8. What happens if my employment ends during the Plan Year or I lose eligibility for other reasons?

If your employment with the Employer is terminated during the Plan Year, then your active participation in the Cafeteria Plan will cease and you will not be able to make any more contributions to the Cafeteria Plan for Insurance Benefits.

See CAF Q-12 for information on your right to continued or converted group health coverage after termination of your employment.

For purposes of pre-taxing COBRA coverage for Health Insurance Benefits, certain Employees may be able to continue eligibility in the Cafeteria Plan for certain periods. See CAF Q-12.

If you are rehired within the same Plan Year and are eligible for the Cafeteria Plan, then you may make new elections, provided that you are rehired more than 30 days after you terminated employment. If you are rehired within 30 days or less during the same Plan Year, then your prior elections will be reinstated.

If you cease to be an eligible Employee for reasons other than termination of employment, such as a reduction of hours, then you must complete the waiting period described in CAF Q-3 before again becoming eligible to participate in the Plan.

CAF Q-9. ***RESERVED***

CAF Q-10. How long will the Cafeteria Plan remain in effect?

Although the Employer expects to maintain the Cafeteria Plan indefinitely, it has the right to amend or terminate all or any part of the Cafeteria Plan at any time for any reason. It is also possible that future changes in state or federal tax laws may require that the Cafeteria Plan be amended accordingly.

CAF Q-11. What happens if my claim for benefits is denied?

Insurance Benefits

The applicable insurance company will decide your claim in accordance with its claims procedures. If your claim is denied, you may appeal to the insurance company for a review of the denied claim. If you don't appeal on time, you will lose your right to file suit in a state or federal court, as you will not have exhausted your internal administrative appeal rights (which generally is a prerequisite to bringing a suit in state or federal court). For more information about how to file a claim and for details regarding the medical insurance company's claims procedures, consult the claims procedure applicable under that plan or policy, as described in the plan document or summary plan description for the Insurance Plan.

Appeals.

If your claim is denied in whole or part, then you (or your authorized representative) may request review upon written application to the "Committee" (the Benefits Committee that acts on behalf of the Plan Administrator with respect to appeals). Your appeal must be made in writing within 180 days after your receipt of the notice that the claim was denied. If you do not appeal on time, you will lose the right to appeal the denial and the right to file suit in court. Your written appeal should state the reasons that you feel your claim should not have been denied. It should include any additional facts and/or documents that you feel support your claim. You will have the opportunity to ask additional questions and make written comments, and you may review (upon request and at no charge) documents and other information relevant to your appeal.

Decision on Review.

Your appeal will be reviewed and decided by the Committee or other entity designated in the Plan in a reasonable time not later than 60 days after the Committee receives your request for review. The Committee may, in its discretion, hold a hearing on the denied claim. Any medical expert consulted in connection with your appeal will be different from and not subordinate to any expert consulted in connection with the initial claim denial. The identity of a medical expert consulted in connection with your appeal will be provided. If the decision on review affirms the initial denial of your claim, you will be furnished with a notice of adverse benefit determination on review setting forth:

* the specific reason(s) for the decision on review;
* the specific Plan provision(s) on which the decision is based;
* a statement of your right to review (upon request and at no charge) relevant documents and other information;
* if an internal rule, guideline, protocol, or other similar criterion is relied on in making the decision on review, then a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to you upon request;

CAF Q-12. What is "Continuation Coverage" and how does it work?

COBRA

If you have elect Health Insurance Benefits under this Plan, you may have certain rights to the continuation of such benefits after a "Qualifying Event" (e.g., a termination of employment). See Appendix B of this SPD for a detailed description of your rights to "continuation coverage" under COBRA.

USERRA

Continuation and reinstatement rights may also be available if you are absent from employment due to service in the uniformed services pursuant to the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA). More information about coverage under USERRA is available from the Plan Administrator.

CAF Q-13. How will participating in the Cafeteria Plan affect my Social Security and other benefits?

Participating in the Cafeteria Plan will reduce the amount of your taxable income, which may result in a decrease in your Social Security benefits and/or other benefits which are based on taxable income. However, the tax savings that you realize through Cafeteria Plan participation will often more than offset any reduction in other benefits. If you are still unsure, you are encouraged to consult with your accountant or other tax advisor.

CAF Q-14. How do leaves of absence (such as under FMLA) affect my benefits?

FMLA Leaves of Absence.

If the Employer is subject to the federal Family and Medical Leave Act of 1993 and you go on a qualifying leave under the FMLA, then to the extent required by the FMLA your Employer will continue to maintain your Health Insurance Benefits on the same terms and conditions as if you were still active (that is, your Employer will continue to pay its share of the contributions to the extent that you opt to continue coverage). Your Employer may require you to continue all Medical Insurance Benefits coverage while you are on paid leave (so long as Participants on non-FMLA paid leave are required to continue coverage). If so, you will pay your share of the contributions by the method normally used during any paid leave (for example, on a pre-tax salary-reduction basis).

If you are going on unpaid FMLA leave (or paid FMLA leave where coverage is not required to be continued) and you opt to continue your Insurance Benefits, then you may pay your share of the contributions in one of three ways: (a) with after-tax dollars while on leave; (b) with pretax dollars to the extent that you receive compensation during the leave, or

by pre-paying all or a portion of your share of the contributions for the expected duration of the leave on a pre-tax salary reduction basis out of your pre-leave compensation, including unused sick days and vacation days (to pre-pay in advance, you must make a special election before such compensation normally would be available to you (but note that prepayments with pre-tax dollars may not be used to pay for coverage during the next Plan Year); or (c) by other arrangements agreed upon by you and the Plan Administrator (for example, the Plan Administrator may pay for coverage during the leave and withhold amounts from your compensation upon your return from leave).

If your Employer requires all Participants to continue Insurance Benefits during the unpaid FMLA leave, then you may discontinue paying your share of the required contributions until you return from leave. Upon returning from leave, you must pay your share of any required contributions that you did not pay during the leave. Payment for your share will be withheld from your compensation either on a pre-tax or after-tax basis, depending on what you and the Plan Administrator agree to.

If your Health Insurance coverage ceases while you are on FMLA leave (e.g., for non-payment of required contributions), you will be permitted to re-enter such Benefits, as applicable, upon return from such leave on the same basis as when you were participating in the Plan before the leave or as otherwise required by the FMLA. You may be required to have coverage for such Benefits reinstated so long as coverage for Employees on non-FMLA leave is required to be reinstated upon return from leave.

If you are commencing or returning from FMLA leave, then your election for non-health benefits provided under this Plan, if any, will be treated in the same way as under your Employer's policy for providing such Benefits for Participants on a non-FMLA leave (see below). If that policy permits you to discontinue contributions while on leave, then upon returning from leave you will be required to repay the contributions not paid by you during leave. Payment will be withheld from your compensation either on a pre-tax or after-tax basis, as agreed to by the Plan Administrator and you or as the Plan Administrator otherwise deems appropriate.

Non-FMLA Leaves of Absence.

If you go on an unpaid leave of absence that does not affect eligibility, then you will continue to participate and the contribution due from you (if not otherwise paid by your regular salary reductions) will be paid by pre-payment before going on leave, with after-tax contributions while on leave, or with catch-up contributions after the leave ends, as determined by the Plan Administrator. If you go on an unpaid leave that does affect eligibility, then the Change in Status rules will apply.

Premium Payment Benefits

PREM Q-1. What are "Premium Payment Benefits"?

As described in CAF Q-1, if you elect Premium Payment Benefits you will be able to pay for your share of contributions for Insurance Benefits with pre-tax dollars by electing to do so. Because the share of the contributions that you pay will be with pre-tax funds, you may save both federal income taxes and FICA (Social Security) taxes. See Q-4.

PREM Q-2. How are my Premium Payment Benefits paid?

As described in CAF Q-1 and in PREM Q-1, if you select an Insurance Plan described in CAF Q-2, then you may be required to pay a portion of the contributions. When you complete the Election Form/Salary Reduction Agreement, if you elect to pay for benefits on a pre-tax basis you agree to a salary reduction to pay for your share of the cost of coverage (also known as contributions) with pre-tax funds instead of receiving a corresponding amount of your regular pay that would otherwise be subject to taxes. From then on, you must pay a contribution for such coverage by having that portion deducted from each paycheck on a pre-tax basis (generally an equal portion from each paycheck, or an amount

otherwise agreed to or as deemed appropriate by the Plan Administrator).

The Employer may contribute all, some, or no portion of the Premium Payment Benefits that you have selected, as described in documents furnished separately to you from time to time.

Miscellaneous

MISC Q-1

COBRA and HIPAA Rights. You have a right to continue your Health Insurance Plan coverage for yourself if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this SPD and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

HIPAA Privacy Rights. Under another provision of HIPAA, group health plans are required to take steps to ensure that certain "protected health information" (PHI) is kept confidential. You may receive a separate notice from the Employer (or medical insurers) that outlines its health privacy policies.

Right to Review. If your claim for a benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Qualified Medical Child Support Order

The Health Insurance Plans will provide benefits as required by any qualified medical child support order (QMCSO), as defined in ERISA § 609(a). The Plan has detailed procedures for determining whether an order qualifies as a QMCSO. Participants and beneficiaries can obtain, without charge, a copy of such procedures from the Plan Administrator.

Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or to less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Appendix B

COBRA CONTINUATION COVERAGE RIGHTS under the COUNTY OF POLK Cafeteria Plan (the "Plan")

The following paragraphs generally explain COBRA coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. **PLEASE READ THE FOLLOWING CAREFULLY.**

The COUNTY OF POLK Cafeteria Plan has group health insurance components and you may be enrolled in one or more of these components. COBRA (and the description of COBRA coverage contained in this SPD) applies only to the group health plan benefits offered under the Plan and not to any other benefits offered under the Plan or by COUNTY OF POLK. The Plan provides no greater COBRA rights than what COBRA requires - nothing in this SPD is intended to expand your rights beyond COBRA's requirements.

What Is COBRA Coverage?

COBRA coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed below in the section entitled "Who Is Entitled to Elect COBRA?"

COBRA coverage may become available to "qualified beneficiaries"

After a qualifying event occurs and any required notice of that event is properly provided to COUNTY OF POLK, COBRA coverage must be offered to each person losing Plan coverage who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries and would be entitled to elect COBRA if coverage under the Plan is lost because of the qualifying event. (Certain newborns, newly adopted children, and alternate recipients under QMCSOs may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below.)

Who Is Entitled to Elect COBRA?

We use the pronoun "you" in the following paragraphs regarding COBRA to refer to each person covered under the Plan who is or may become a qualified beneficiary.

Qualifying events for the covered employee

If you are an employee, you will be entitled to elect COBRA if you lose your group health coverage under the Plan because either one of the following qualifying events happens:

* your hours of employment are reduced; or
* your employment ends for any reason other than your gross misconduct.

Qualifying events for the covered spouse

If you are the spouse of an employee, you will be entitled to elect COBRA if you lose your group health coverage under the Plan because any of the following qualifying events happens:

* your spouse dies;
* your spouse's hours of employment are reduced;
* your spouse's employment ends for any reason other than his or her gross misconduct;
* you become divorced or legally separated from your spouse. Also, if your spouse (the employee) reduces or eliminates your group health coverage in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the divorce or legal separation may be considered a qualifying event for you even though your coverage was reduced or eliminated before the divorce or separation.

Qualifying events for dependent children

If you are the dependent child of an employee, you will be entitled to elect COBRA if you lose your group health coverage under the Plan because any of the following qualifying events happens:

* your parent-employee dies;
* your parent-employee's hours of employment are reduced;
* your parent-employee's employment ends for any reason other than his or her gross misconduct;
* you stop being eligible for coverage under the Plan as a "dependent child."

Electing COBRA after leave under the Family and Medical Leave Act (FMLA)

Under special rules that apply if an employee does not return to work at the end of an FMLA leave, some individuals may be entitled to elect COBRA even if they were not covered under the Plan during the leave. Contact COUNTY OF POLK for more information about these special rules.

Special second election period for certain eligible employees who did not elect COBRA

Certain employees and former employees who are eligible for federal trade adjustment assistance (TAA) or alternative trade adjustment assistance (ATAA) are entitled to a second opportunity to elect COBRA for themselves and certain family members (if they did not already elect COBRA) during a special second election period of 60 days or less (but only if the election is made within six months after Plan coverage is lost).

When Is COBRA Coverage Available?

When the qualifying event is the end of employment, reduction of hours of employment, or death of the employee, the Plan will offer COBRA coverage to qualified beneficiaries. You need not notify COUNTY OF POLK of any of these qualifying events.

Caution:

You stop being eligible for coverage as dependent child whenever you fail to satisfy any part of the plan's definition of dependent child.

You must notify the plan administrator of certain qualifying events by this deadline

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), a COBRA election will be available to you only if you notify COUNTY OF POLK in writing within 60 days after the later of (1) the date of the qualifying event; or (2) the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the qualifying event.

No COBRA election will be available unless you follow the Plan's notice procedures and meet the notice deadline

In providing this notice, you must use the Plan's form entitled "Notice of Qualifying Event Form" and you must follow the notice procedures specified in the section below entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided to COUNTY OF POLK during the 60-day notice period, YOU WILL LOSE YOUR RIGHT TO ELECT COBRA.

How to elect COBRA

To elect COBRA, you must complete the Election Form that is part of the Plan's COBRA election notice and mail or hand-deliver it to COUNTY OF POLK. An election notice will be provided to qualified beneficiaries at the time of a

qualifying event. You may also obtain a copy of the Election Form from COUNTY OF POLK.

Deadline for COBRA election

If mailed, your election must be postmarked (or if hand-delivered, your election must be received by the individual at the address specified on the Election Form) no later than 60 days after the date of the COBRA election notice provided to you at the time of your qualifying event (or, if later, 60 days after the date that Plan coverage is lost). IF YOU DO NOT SUBMIT A COMPLETED ELECTION FORM BY THIS DUE DATE, YOU WILL LOSE YOUR RIGHT TO ELECT COBRA.

Independent election rights

Each qualified beneficiary will have an independent right to elect COBRA.

Any qualified beneficiary for whom COBRA is not elected within the 60-day election period specified in the Plan's COBRA election notice WILL LOSE HIS OR HER RIGHT TO ELECT COBRA COVERAGE.

Special Considerations in Deciding Whether to Elect COBRA

In considering whether to elect COBRA, you should take into account that a failure to elect COBRA will affect your future rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse's employer) within 30 days after your group health coverage under the Plan ends because of one of the qualifying events listed above. You will also have the same special enrollment right at the end of COBRA coverage if you get COBRA coverage for the maximum time available to you.

Length of COBRA Coverage

COBRA coverage is a temporary continuation of coverage. The COBRA coverage periods described below are maximum coverage periods.

COBRA coverage can end before the end of the maximum coverage period for several reasons, which are described in the section below entitled "Termination of COBRA Coverage Before the End of the Maximum Coverage Period."

Death, divorce, legal separation, or child's loss of dependent status

When Plan coverage is lost due to the death of the employee, the covered employee's divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA coverage under the Plan's Medical and Dental components can last for up to a total of 36 months.

If the covered employee becomes entitled to Medicare within 18 months before his or her termination of employment or reduction of hours.

When Plan coverage is lost due to the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage under the Plan's Medical and Dental components for qualified beneficiaries (other than the employee) who lose coverage as a result of the qualifying event can last until up to 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his employment terminates, COBRA coverage for his spouse and children who lost coverage as a result of his termination can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus eight months). This COBRA coverage period is available only if the covered employee becomes entitled to Medicare within 18 months BEFORE the termination or reduction of hours.

Termination of employment or reduction of hours

Otherwise, when Plan coverage is lost due to the end of employment or reduction of the employee's hours of employment, COBRA coverage under the Plan's Medical and Dental components generally can last for only up to a total of 18 months.

Extension of Maximum Coverage Period

If the qualifying event that resulted in your COBRA election was the covered employee's termination of employment or reduction of hours, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify COUNTY OF POLK of a disability or a second qualifying event in order to extend the period of COBRA coverage. Failure to provide notice of a disability or second qualifying event will eliminate the right to extend the period of COBRA coverage.

Disability extension of COBRA coverage

If a qualified beneficiary is determined by the Social Security Administration to be disabled and you notify COUNTY OF POLK in a timely fashion, all of the qualified beneficiaries in your family may be entitled to receive up to an additional 11 months of COBRA coverage, for a total maximum of 29 months. This extension is available only for qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was the covered employee's termination of employment or reduction of hours. The disability must have started at some time before the 61st day after the covered employee's termination of employment or reduction of hours and must last at least until the end of the period of COBRA coverage that would be available without the disability extension (generally 18 months, as described above). Each qualified beneficiary will be entitled to the disability extension if one of them qualifies.

You must notify COUNTY OF POLK of a qualified beneficiary's disability by this deadline

The disability extension is available only if you notify COUNTY OF POLK in writing of the Social Security Administration's determination of disability within 60 days after the latest of:

* the date of the Social Security Administration's disability determination;
* the date of the covered employee's termination of employment or reduction of hours; and

* the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered employee's termination of employment or reduction of hours.

You must also provide this notice within 18 months after the covered employee's termination of employment or reduction of hours in order to be entitled to a disability extension.

No disability extension will be available unless you follow the Plan's notice procedures and meet the notice deadline

In providing this notice, you must use the Plan's form entitled "Notice of Disability Form" and you must follow the notice procedures specified in the section below entitled "Notice Procedures."

If these procedures are not followed or if the notice is not provided to COUNTY OF POLK during the 60-day notice period and within 18 months after the covered employee's termination of employment or reduction of hours, then there will be no disability extension of COBRA coverage.

Second qualifying event extension of COBRA coverage

An extension of coverage will be available to spouses and dependent children who are receiving COBRA coverage if a second qualifying event occurs during the 18 months (or, in the case of a disability extension, the 29 months) following the covered employee's termination of employment or reduction of hours. The maximum amount of COBRA coverage

available when a second qualifying event occurs is 36 months. Such second qualifying events may include the death of a covered employee, divorce or legal separation from the covered employee, or a dependent child's ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the Plan if the first qualifying event had not occurred. (This extension is not available under the Plan when a covered employee becomes entitled to Medicare after his or her termination of employment or reduction of hours.)

You must notify COUNTY OF POLK of a second qualifying event by this deadline

This extension due to a second qualifying event is available only if you notify COUNTY OF POLK in writing of the second qualifying event within 60 days after the date of the second qualifying event.

No extension will be available unless you follow the Plan's notice procedures and meet the notice deadline

In providing this notice, you must use the Plan's form entitled "Notice of Second Qualifying Event Form" (you may obtain a copy of this form from COUNTY OF POLK at no charge), and you must follow the notice procedures specified in the section below entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided to COUNTY OF POLK during the 60-day notice period, then there will be no extension of COBRA coverage due to a second qualifying event.

Termination of COBRA Coverage Before the End of the Maximum Coverage Period

COBRA coverage will automatically terminate before the end of the maximum period if:

* any required premium is not paid in full on time;
* a qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing COBRA;
* the employer ceases to provide any group health plan for its employees; or
* during a disability extension period, the disabled qualified beneficiary is determined by the Social Security Administration to be no longer disabled (COBRA coverage for all qualified beneficiaries, not just the disabled qualified beneficiary, will terminate).

COBRA coverage may also be terminated for any reason the Plan would terminate coverage of a participant or beneficiary not receiving COBRA coverage (such as fraud).

You must notify COUNTY OF POLK if a qualified beneficiary becomes entitled to Medicare or obtains other group health plan coverage

You must notify COUNTY OF POLK in writing within 30 days if, after electing COBRA, a qualified beneficiary becomes entitled to Medicare (Part A, Part B, or both) or becomes covered under other group health plan coverage. In addition, if you were already entitled to Medicare before electing COBRA, notify Employer of the date of your Medicare entitlement at the address shown in the section below entitled "Notice Procedures."

You must notify COUNTY OF POLK if a qualified beneficiary ceases to be disabled

If a disabled qualified beneficiary is determined by the Social Security Administration to no longer be disabled, you must notify COUNTY OF POLK of that fact within 30 days after the Social Security Administration's determination.

Cost of COBRA Coverage

Each qualified beneficiary is required to pay the entire cost of COBRA coverage. The amount a qualified beneficiary may be required to pay may not exceed 102% (or, in the case of an extension of COBRA coverage due to a disability, 150%) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving COBRA coverage. The amount of your COBRA premiums

may change from time to time during your period of COBRA coverage and will most likely increase over time. You will be notified of COBRA premium changes.

Payment for COBRA Coverage

How premium payments must be made

All COBRA premiums must be paid by check. Your first payment and all monthly payments for COBRA coverage must be mailed or hand-delivered to the individual at the payment address specified in the election notice provided to you at the time of your qualifying event. However, if the Plan notifies you of a new address for payment, you must mail or hand-deliver all payments for COBRA coverage to the individual at the address specified in that notice of a new address.

When premium payments are considered to be made

If mailed, your payment is considered to have been made on the date that it is postmarked. If hand-delivered, your payment is considered to have been made when it is received by the individual at the address specified above. You will not be considered to have made any payment by mailing or hand-delivering a check if your check is returned due to insufficient funds or otherwise.

First payment for COBRA coverage

If you elect COBRA, you do not have to send any payment with the Election Form. However, you must make your first payment for COBRA coverage not later than 45 days after the date of your election. (This is the date your Election Form is postmarked, if mailed, or the date your Election Form is received by the individual at the address specified for delivery of the Election Form, if hand-delivered.) See the section above entitled "Electing COBRA Coverage."

Your first payment must cover the cost of COBRA coverage from the time your coverage under the Plan would have otherwise terminated up through the end of the month before the month in which you make your first payment. (For example, Sue's employment terminates on September 30, and she loses coverage on September 30. Sue elects COBRA on November 15. Her initial premium payment equals the premiums for October and November and is due on or before December 30, the 45th day after the date of her COBRA election.)

You are responsible for making sure that the amount of your first payment is correct. You may contact COUNTY OF POLK using the contact information provided below to confirm the correct amount of your first payment. Claims for reimbursement will not be processed and paid until you have elected COBRA and made the first payment for it.

<u>If you do not make your first payment for COBRA coverage in full within 45 days after the date of your election, you will lose all COBRA rights under the Plan.</u>

Monthly payments for COBRA coverage

After you make your first payment for COBRA coverage, you will be required to make monthly payments for each subsequent month of COBRA coverage. The amount due for each month for each qualified beneficiary will be disclosed in the election notice provided to you at the time of your qualifying event. Under the Plan, each of these monthly payments for COBRA coverage is due on the first day of the month for that month's COBRA coverage. If you make a monthly payment on or before the first day of the month to which it applies, your COBRA coverage under the Plan will continue for that month without any break. COUNTY OF POLK will not send periodic notices of payments due for these coverage periods (that is, <u>we will not send a bill to you for your COBRA coverage - it is your responsibility to pay your COBRA premiums on time</u>).

Grace periods for monthly COBRA premium payments

Although monthly payments are due on the first day of each month of COBRA coverage, you will be given a grace period of 30 days after the first day of the month to make each monthly payment. Your COBRA coverage will be provided for each month as long as payment for that month is made before the end of the grace period for that payment. However, if you pay a monthly payment later than the first day of the month to which it applies, but before the end of the grace period for the month, your coverage under the Plan will be suspended as of the first day of the month and then retroactively reinstated (going back to the first day of the month) when the monthly payment is received. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated.

If you fail to make a monthly payment before the end of the grace period for that month, you will lose all rights to COBRA coverage under the Plan.

More Information About Individuals Who May Be Qualified Beneficiaries

Children born to or placed for adoption with the covered employee during a period of COBRA coverage

A child born to, adopted by, or placed for adoption with a covered employee during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered employee is a qualified beneficiary, the covered employee has elected COBRA coverage for himself or herself. The child's COBRA coverage begins when the child is enrolled in the Plan, whether through special enrollment or open enrollment, and it lasts for as long as COBRA coverage lasts for other family members of the employee. To be enrolled in the Plan, the child must satisfy the otherwise applicable Plan eligibility requirements (for example, regarding age).

Alternate recipients under QMCSOs

A child of the covered employee who is receiving benefits under the Plan pursuant to a qualified medical child support order (QMCSO) received by COUNTY OF POLK during the covered employee's period of employment with COUNTY OF POLK is entitled to the same rights to elect COBRA as an eligible dependent child of the covered employee.
