STATE OF TEXAS           §  
  §  
COUNTY OF POLK         §

**Opposition to Unfunded Mandates**

**WHEREAS**, Texas counties are responsible for the operation and management of many and various governmental programs as required or authorized by state law; and

**WHEREAS**, some county government programs are fully or partially supported with funds disbursed by the State of Texas pursuant to the state appropriations process; and

**WHEREAS**, the State of Texas, acting through the Texas Legislature or through a state agency or executive order, may enact laws or promulgate rules that have the effect of imposing mandatory financial obligations upon Texas counties; and

**WHEREAS**, the State of Texas, acting through the Texas Legislature or through a state agency or executive order, mandates that counties implement certain governmental programs or perform certain duties and obligations including financial commitments by a county to expend county funds in connection therewith; and

**WHEREAS**, during each regular session of the Texas Legislature, all state funds that support county programs are reviewed through the state appropriation process and by other budgetary review systems; and

**WHEREAS**, the aforementioned review process may result in a reduction, or cessation, of state financial support of county government programs causing an unforeseeable disruption and reduction of the county budget and operations; and

**WHEREAS**, Texas counties cannot achieve reliable financial planning and the necessary bond ratings sufficient to support county-related obligations when the state mandates a new program that is not fully funded or under conditions where the state reduces or fully withdraws prior funding and disbursement for county government programs;

**NOW THEREFORE**, the Commissioners Court of Polk County, Texas does hereby resolve that for the foregoing reasons, it is in the best interests of Texas counties and their taxpayers to support and favor the passage of legislation in the form of an amendment to the Constitution of the State of Texas that would expressly prohibit the imposition of a mandatory governmental program on Texas counties, whether by an act of the Texas Legislature or a state agency or by executive order, unless the State of Texas has fully funded and disbursed all necessary funds to enable Texas counties to operate said governmental program.

**State Funds for Indigent Criminal Defense**

**WHEREAS**, the right to assistance by legal counsel is guaranteed by the U.S. Constitution; and

**WHEREAS**, the State of Texas is required to implement this right and provide legal counsel to indigent criminal defendants; and

**WHEREAS**, the Texas Fair Defense Act, adopted by the Texas Legislature in 2001, implements this right and requires certain procedures and attorney appointments; and

**WHEREAS**, the Texas Legislature has failed to provide sufficient funding to offset the costs of the Fair Defense Act and has shifted this cost to county taxpayers; and

**WHEREAS**, county expenditures for indigent criminal defense have increased over 100 percent since the adoption of the Fair Defense Act; and

**WHEREAS**, the state funding is totally inadequate, providing approximately 12 percent of the indigent defense costs; and

**WHEREAS**, indigent criminal defense is a state responsibility that should be adequately funded on a statewide basis, not a burden overwhelmingly borne by local property taxpayers;

**NOW THEREFORE, BE IT RESOLVED** that the Commissioners Court of Polk County, Texas does hereby request that the Texas Legislature fully fund the costs of indigent criminal defense.

COUNTY OF POLK         §

**Opposition to Senate Bill 2 and Revenue Caps**

**WHEREAS**, the Texas Legislature has previously considered and rejected proposals for additional revenue caps on counties; and

**WHEREAS**, 60 percent of the average taxpayer's property tax burden is due to school taxes while only 14 percent is due to county taxes; and

**WHEREAS**, revenue caps would diminish local control and tie the hands of county officials and limit their ability to provide essential services to address the needs and emergencies of their citizens; and

**WHEREAS**, county government is already struggling to meet the demands of under-funded and unfunded state mandates such as indigent health care and indigent defense and federal mandates such as the Help America Vote Act and the Clean Air Act; and

**WHEREAS**, the demands on county budgets continue to increase including health care, motor fuel, road materials, and all other products and services purchased by counties; and

**WHEREAS**, artificial revenue caps will result in a shift of taxes from fluctuating properties, such as oil and gas, to those remaining relatively stable in value, such as residential properties; and

**WHEREAS**, revenue caps will not necessarily result in a reduction of property taxes but will result in a severe impact on county services; and

**WHEREAS**, Senate Bill 2 also contains many provisions that will undermine a property tax system based upon fair market value and will result in a distorted, inequitable appraisal scheme under which higher value properties will avoid their fair share of the tax burden; and

**WHEREAS**, it would be inequitable for the Texas Legislature to impose additional revenue caps on local governments without funding, repealing and prohibiting state unfunded mandates;

**NOW THEREFORE, BE IT RESOLVED** that the Commissioners Court of Polk County, Texas does hereby express its opposition to Senate Bill 2 and its efforts to limit local control and does hereby oppose any attempts to impose additional revenue caps upon Texas counties, and the Commissioners Court of Polk County, Texas expresses its deep appreciation to all legislators who oppose this unsound measure.
