

SAN JACINTO DAY FIREWORKS PERIOD

(APRIL 16-MIDNIGHT, APRIL 21)

DEADLINE TO ADOPT ORDER: MARCH 31, 2020

Occupations Code, §2154.202(h), permits the commissioners court to adopt an order authorizing the sale of fireworks for San Jacinto Day (April 21).

If the court decides to permit sale of fireworks during the San Jacinto Day period, the order must be adopted before April 1. If the court does not wish to permit the sale of fireworks during this period, no action is required.

Please note the distinction between this law (Occupations Code, §2154.202(h)), which allows the commissioners court at its discretion to permit fireworks sales for the holiday period and the other law (Local Government Code, §352.051) which requires the court to take action to restrict or prohibit sales during certain times of the year if drought conditions are present.

To assist the court in determining whether conditions are suitable for authorizing the sale of fireworks, the Texas Forest Service is required to make its services available each day during the San Jacinto Day period to respond to the request of a county as to whether or not drought conditions exist. To obtain a determination from the Texas Forest Service, call (979) 458-7331.

If the court decides to adopt such an order for San Jacinto Day, it may restrict or prohibit the sale of "restricted fireworks," which are defined as "skyrockets with sticks" and as "missiles with fins". A violation of the order is a Class C misdemeanor. Also, a citizen may file suit for an injunction to prevent a violation or threatened violation of the order.

Under Local Government Code §352.051(f), the county may also designate one or more "safe" areas where the use of restricted fireworks is not prohibited. In determining if an area may be considered "safe" the court should take into account whether adequate public safety and fire protection services are provided to the area.

A copy of Local Government Code §352.051 and the portions of the Occupations Code that define and explain permitted and prohibited fireworks are available online at county.org/fireworks. A sample order authorizing sale of fireworks during this period is provided on the following page. If your court decides to designate "safe" areas, the sample order will need to be modified to include appropriate language.
