Re: Road Closure Request for:  
County Line Road at Kimball Creek  
Polk County, CSJ: 0911-04-088

Dear Judge Murphy:

The Texas Department of Transportation is preparing plans to replace the existing bridge at County Line Road at Kimball Creek. This project is scheduled to let to contract in April of 2021 with construction beginning in the weeks following.

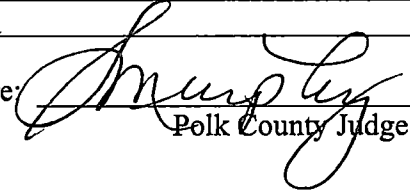

At this time, the bridge remains in operation. TxDOT plans to close this bridge to all traffic for approximately four months while the new bridge is built to eliminate the need to construct an expensive temporary detour and to minimize right-of-way acquisition.

Please indicate your concurrence, or non-concurrence with an explanation, and return this letter. The bridge location is shown on the attached map. Your assistance in this matter is greatly appreciated. You can reach me at 936-633-4317 or [Clint.Jones@txdot.gov](mailto:Clint.Jones@txdot.gov) if you have any questions about this project.

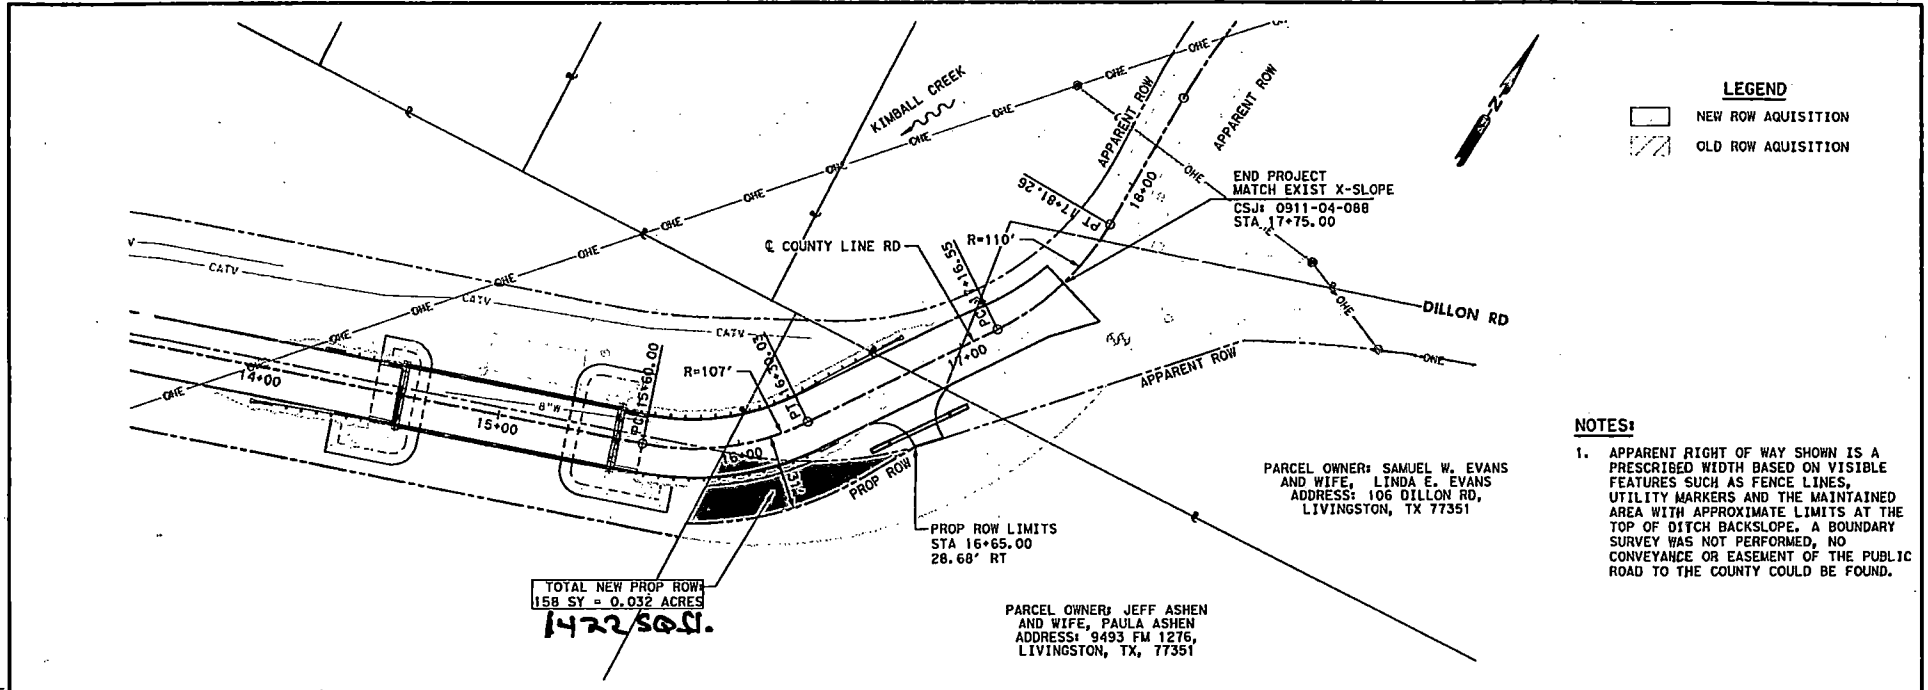

Sincerely,  
  
Clint Jones, P.E.

I concur with the road closure at County Line Road at Kimball Creek.  
 I do not concur with the road closure at County Line Road at Kimball Creek due to the following:
