Notes

We can sell all the components separately to get everything to you faster - otherwise, integration will take some time as parts are not all in stock with the same supplier.

Quote valid for 30 days unless formal bid provides different term. Promotional pricing is valid only during term of promotion and while supplies last.

All returns must be authorized and clearly marked with a valid RMA number. RMA's are subject to restock fees when applicable.

Disclaimer

These prices may not include applicable taxes, insurance, shipping, delivery, setup fees, or any cables or cabling services or material unless specifically listed above.

Please note that expedited shipping charges are estimated, and could decrease or increase when invoiced.

All prices are subject to change without notice. Supply subject to availability.
