RE: Landfill and Municipal Solid Waste System Operating Agreement

Dear Judge Murphy,

In accordance with our Landfill and Municipal Solid Waste System Operating Agreement dated December 1, 2001 between Polk County and Santek Environmental of Texas, LLC, please accept this letter as Republic Services' request to amend the rates at the Polk County Citizen's Collection Stations to be more in line with current market trends.

Please find the new rate table below. These rates will be effective December 1, 2022.

Rates		
Item	Current	Total proposed
>13 gallon bag	\$ 0.50	\$0.75
<13 gallon bag	\$ 1.50	\$2.50
Cubic yard	\$ 6.00	\$9.50
Appliances	\$ 15.00	\$24.00
Mattress	\$ 15.00	\$24.00
Bulky items	\$ 15.00	\$24.00

We will post signage at the facility indicating the new rate including the implementation date. Should you have any questions or require additional information, please do not hesitate to contact me.

Thank you in advance for your consideration and we look forward to being of continued service to Polk County.

RE: Landfill and Municipal Solid Waste System Operating Agreement

Dear Judge Murphy,

In accordance with our Landfill and Municipal Solid Waste System Operating Agreement dated December 1, 2001 between the Polk County and Santek Environmental of Texas, LLC, we are preparing to increase the Polk County Landfill gate rate based on the current fee schedule listed below effective December 1, 2022.

Rate: \$45.00 per ton  
County Host Fee: \$3.38 per ton  
Total new rate: \$48.38

We will send notification to all 3<sup>rd</sup> party customers via mail, as well as post signage at the facility indicating the new rate including the implementation date. Should you have any questions or require additional information, please do not hesitate to contact me.

Thank you in advance and we look forward to being of continued service to Polk County.
