REF: Polk County Plotter – Sent Via Email

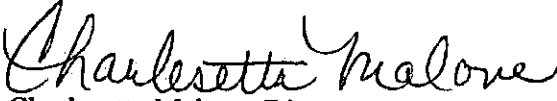

Dear Linda,

The Deep East Texas Council of Governments (DETCOG) Regional 9-1-1 Network purchased a HP DesignJet Z5200ps with serial number CN6487K00B plotter for use with 9-1-1 addressing. This plotter was purchased several years ago and is no longer supported by the manufacturer.

The DETCOG Regional 9-1-1 Program is transferring ownership of the plotter to Polk County. This will allow Polk County to repair or dispose of this equipment at its discretion. The DETCOG will remove the plotter from their respective inventory list and note as an ownership transfer.

You can contact me with any questions at 936-634-2247, ext. 5252, or via email at cmalone@detcog.gov.

Sincerely,

Charlesetta Malone, Director
DETCOG Regional 9-1-1 Network
