SPECIAL INSTRUCTIONS

Disclaimer: Wanco Inc. will not accept product returns, responsibility, liability or warranty claim for failures caused by damaged or overloaded generator(s) resulting in misuse, abuse, negligence, improper installation, misapplication, and or incorrect sizing for intended application. It is the end-users ultimate responsibility to work with a certified electrical professional to correctly size the application and therefore decide upon the right model to meet the machines startup capabilities. For more information visit our website at <https://www.wanco.com/support/warranty-policy/wanco-warranty-power-light-products/> for further information.

All order and quotes are subject to the manufacturer's approval.

Shipping note: For equipment shipping from the factory, the shipping address must have forklift and forklift operator, or loading dock. Additional fees may apply if location cannot unload equipment. Dealer to perform safety check on all equipment upon delivery, which may include tire inflation, drawbar connection or tightening, and connecting tail lights. Equipment will ship on open flatbed commercial truck and may need to be washed on arrival.
