

Polk County, Texas

**MEMORANDUM OF UNDERSTANDING
BETWEEN
POLK COUNTY, TEXAS AND
POLK CENTRAL APPRAISAL DISTRICT**

PURPOSE:

This Memorandum of Understanding ("MOU") is for Polk Central Appraisal District (CAD) to provide support to Polk County, Texas during a time of natural or man-made disaster. The purpose of this MOU is to secure services during disasters and man-made emergencies, to include mapping services in the event the Geographical Information Specialist for Polk County is unavailable.

REASON FOR THIS AGREEMENT:

Polk County has experienced a number of natural disasters that required the timely production of services and resources CAD may have available, which may include maps for use by first responders.

AGENCIES' RESPONSIBILITIES:

Polk County agrees to:

Give reasonable notice to the designated representative of CAD of impending natural disasters.

Polk Central Appraisal District agrees to:

Support Polk County's efforts to provide services during an emergency.

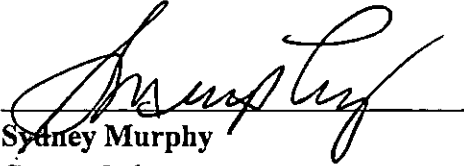

Provide the Polk County Office of Emergency Management with the current 24-hour contact information of CAD Representatives who will respond to emergencies that may include mapping services.

TENURE:

This MOU shall stand for a period of five years from the date of approval by the Polk County Commissioners' Court.

MISCELLANEOUS:

This MOU does not create a partnership or a joint venture, and neither party has the authority to bind the other.
