## Statement of Work

**STS360 is pleased to offer the below statement of work for Polk County.**

STS360 will be responsible for providing the Tax Office with a full turnkey video surveillance upgrade.

STS360 has proposed a solution including installation, operation and services for the complete system as requested. STS360 will be responsible for installing, configuring and servicing the following, including but not limited to:

**STS360 will provide 8 new ip cameras with Cat cable and Conduit work along with one new NVR for the Tax office.**

**STS360 will program and configure all devices.**

**STS360 will provide up to 100 ft of conduit work as part of this proposal, anything over the 100ft will require a change order.**

**It is the County's responsibility to provide the following:**

- Network WAN/LAN
- PoE Network Switch Ports
- All AC Power

### **Placing a Service Request**

Call Toll Free Dedicated Number: (866) 506-7446 or email [techsupport@sts360.com](mailto:techsupport@sts360.com)

Our Technical Support Group (TSG) is there for you 24x7x365 and is just a phone call away. A live person will answer immediately, do some basic troubleshooting, and generate a work order while the THE OWNER is on the phone with TSG representative. If they are unable to assist you to a successful fix of the issue, they will immediately reassign the work order and contact the appropriate Level 2 support personnel who will be in contact within 2 hours or less to help resolve the issue, direct you to submit an RMA, and/ or dispatch an on-site technician. We request the party submitting the work order have some of the following information ready when calling the TSG, because the more information provided, the better we can assist in resolving the issue more expeditiously.

STS will request the following information in order to expedite service.

- Customer / Site Name
- Your Contact Information and Title
- Sales Invoice / Work Order / Or Purchase Order Number (if available)
- Pertinent Information relating to your service request
- Device IP Number / Camera Number
- Device Location
- Description of issue / concern

## Statement of Work

STS360 is pleased to offer the below statement of work for Polk County Annex Building.

STS360 has proposed a solution including installation, operation and services for the complete system as requested.

STS360 will be responsible for installing, configuring and servicing the following, including but not limited to:

All new (32) Single lens dome Cameras with all new Cat6 Cable runs to each location

All new (2) NVRs (1) for Video

All (32) licenses for the (32) Cameras. These Licenses are free with the Proposed Solution. (you will see them as 0 cost on the quote. There are no reoccurring fees yearly for the licenses.)

It is the County's responsibility to provide the following:

- Network WAN/LAN
- PoE Network Switch Ports
- All AC Power
- All pathways for the Camera locations
