Statement of Work - BuyBoard Contract 654-21

STS360 is pleased to offer the below statement of work for Polk County Judicial Building.

STS360 has proposed a solution including installation, operation and services for the complete system as requested.

STS360 will be responsible for installing, configuring and servicing the following, including but not limited to:

- All new (57) Single lens dome Cameras with all new Cat6 Cable runs to each location
- All new (6) Outdoor PTZs with all new Cat6 Cable runs to each location
- All new (2) NVRs (1) for Video and (1) for Access Control
- All (105) licenses for the (63) Cameras and (42) Access Doors - These Licenses are free with the Proposed Solution. (you will see them as 0 cost on the quote. There are no reoccurring fees yearly for either license.)
- All new (24) Intelligent Door Control Boards for the Access Control
- All new (2) LifeSaftey Power Supply enclosures for the Control Boards

It is the County's responsibility to provide the following:

- Network WAN/LAN
- PoE Network Switch Ports
- All AC Power
- STS360 Assumes all use of the Current Access Control Cable as well as all Current Electrified Hardware and HID Readers. (STS360 has not included any door locking hardware or card readers as apart of this proposal)
- All pathways for the Camera locations
- Wall Space for the LifeSaftey Power Supply Enclosures

Placing a Service Request

Call Toll Free Dedicated Number: (866) 506-7446 or email techsupport@sts360.com

Our Technical Support Group (TSG) is there for you 24x7x365 and is just a phone call away. A live person will answer immediately, do some basic troubleshooting, and generate a work order while the THE OWNER is on the phone with TSG representative. If they are unable to assist you to a successful fix of the issue, they will immediately reassign the work order and contact the appropriate Level 2 support personnel who will be in contact within 2 hours or less to help resolve the issue, direct you to submit an RMA, and/ or dispatch an on-site technician. We request the party submitting the work order have some of the following information ready when calling the TSG, because the more information provided, the better we can assist in resolving the issue more expeditiously.

STS will request the following information in order to expedite service.

- Customer / Site Name
- Your Contact Information and Title
- Sales Invoice / Work Order / Or Purchase Order Number (if available)
- Pertinent Information relating to your service request
- Device IP Number / Camera Number
- Device Location
- Description of issue / concern
