Notes: **Project Total \$ 37,873.70**

- Syntech provides a standard one year factory warranty on new hardware purchased.
- FMLive includes a series of comprehensive tutorial videos and additional live training available upon request.
- All quotes DO NOT include or account for Sales Tax. If Syntech is required to pay sales, use, or other taxes based on the Service in this Agreement then such taxes shall be billed to and paid by Customer.
- Invoicing for ALL FMLive related services will be driven by the date of the first FMU shipped. This includes one-time (nonrecurring) and annual (recurring) fees. Annual fees will have effective dates beginning on the 1st of the following month.
- Syntech Systems, Inc. General Terms and Conditions of Purchase apply to this order and can be located at the following address:
www.myfuelmaster.com/global-agreement/
